

# **Notice of Community Meeting**

## **Fiscal Year 2012-13 Rehabilitation of Gravity Sewer Mains**

The City of Manhattan Beach Public Works Department will replace damaged sewer mains in your neighborhood soon. A community meeting will be held to introduce discuss impacts and benefits of the project.

Date of Meeting:       **January 8, 2013 6:00 p.m.**  
Meeting location:    Joslyn Center  
                                  1601 Valley Drive, Manhattan Beach, CA

Sewer mains will be replaced at locations shown on the map below.

The following is the tentative schedule:

- |                  |                              |
|------------------|------------------------------|
| 1. February 2013 | Award Construction Contract. |
| 2. March 2013    | Start construction.          |
| 3. June 2013     | Complete construction.       |

Residents of the surrounding areas are encouraged to attend the meeting. City project management staff will be on hand at the meeting to discuss the project and answer questions.

If you would like any additional information on this project or about the meeting, please feel free to contact the City Engineer, Steve Finton at (310) 802-5352 or [sfinton@cityymb.info](mailto:sfinton@cityymb.info). You can also find this item on the City's website at [www.cityymb.info](http://www.cityymb.info) in the Calendar section, where you can have it automatically added to your own Outlook Calendar.
