

**CITY OF MANHATTAN BEACH
TOWN HALL MEETING
SHARROWS ON PACIFIC AVENUE**

August 12, 2013
Police/Fire Community Room
400/420 15th Street, Manhattan Beach, CA 90266
6:00 P.M. to 8:00 P.M.

A G E N D A

In November 2011, the City Council adopted the South Bay Bicycle Master Plan which provides guidelines for improving and prioritizing bicycle infrastructure and to regionally connect the seven cities of Manhattan Beach, Redondo Beach, Hermosa Beach, El Segundo, Torrance, Gardena and Lawndale. Specifically, the plan proposes to expand the bicycle network in Manhattan Beach from 3 miles to 31 miles by 2021. All future projects implemented in accordance with this plan requires City Council review and approval for feasibility and fiscal implications through the public hearing process.

A. WELCOME

Richard Thompson, Director of Community Development

B. PRESENTATION

Erik Zandvliet, City Traffic Engineer
Lt. Andy Harrod, Police Department Traffic Division

C. PUBLIC ENGAGEMENT AND OPEN DISCUSSION

All public comments, questions and discussion items regarding Sharrows on Pacific Avenue are welcome at this time. Please note that the Mobility Plan update currently underway will incorporate public comments regarding proposed improvements on Pacific Avenue, such as Sharrows, but no decisions will be made at tonight's meeting regarding Sharrows, or any other aspect of the Mobility Plan. Also, please invite all interested parties to participate in the Public Workshops regarding the Mobility Plan Update.

D. CLOSING COMMENTS

Thank you for caring about the future of your City and taking the time to participate in this valuable process which will work towards improving mobility, and the safety of all pedestrians, cyclists, drivers, and transit riders throughout Manhattan Beach. If you would like to be placed on the email list or have any further questions, please contact us at the information below.

TENTATIVE DATES FOR FUTURE MOBILITY PLAN UPDATE MEETINGS

Public Engagement Workshop #2 – October 2013

Planning Commission/Parking and Public Improvements Commission – November 2013

Final Mobility Plan to City Council – January 2014

For more information on the Mobility Plan Update, please visit the City's website:
