More Information

David Ibarra, REC Supervisor at (310) 802-5419
Idris Al-Oboudi, Rec. Services Manager at (310) 802-5404
Parks & Recreation Department (310) 802-5448

Parks and Recreation strengthens community image and sense of place. The REC Summer Camp program along with the International Surf Festival, proudly presents the 54th Annual Sandcastle Design Contest.

Contest Rules

All contestants MUST be registered (including individual team members of a group division) and work only within the division for which they are registered. Contestants may only participate in one division.

Contestants can use tools such as buckets, cans or small shovels to construct their sculpture and environmentally safe objects such as beads, shells, feathers, play cars or pebbles to decorate the castles.

No bottles, glass or large shovels are allowed. No water may be hosed from outlets at the Pier. You may not use supports for your sculpture, it must be self standing. Contestants will be given a flag to be placed next to their sculpture in the allowed space.

Registration will begin at 8:40 AM to 9:00 AM. Any sandcastles built prior to the start of the competition will not be eligible for prizes. Time extensions will not be given to late registrants.
