Prohibited Conduct

- (a) The Association, its officers, agents, representative, and members, agree that, during the term of this Memorandum of Understanding or any agreed upon extensions of the MOU, they will not call or engage in any strike, walkout, work stoppage, sickout, blue flu, concerted withholding of services by employees represented by the Association, disruption of City services, or honor any job action by any other employee or

group of employees of the City or any union or association of employees by withholding or refusing to perform services; provided, however, that by executing this agreement neither the Association nor any of its members waive their rights (1) under Section 6300 et seq. of the California Labor Code to refuse to work under unsafe conditions and (2) under the United States and California Constitutions to exercise their rights of freedom of speech, assembly and association such as by engaging in lawful informational picketing.

This article shall not constitute a waiver by the City of its position that any work stoppages are illegal, regardless of whether or not a valid MOU is or is not in effect. Nor shall this article constitute a waiver by the Association of its rights to engage in any strike walkout, work stoppage, sick-out, blue flu, or other job actions that are allowable under the law at the conclusion of the term of this MOU or any agreed upon extensions, and to assert that these actions are lawful.

- (b) In the event that the Association, its officers, agents, representatives, or members engage in any of the conduct prohibited above, the Association shall utilize reasonable efforts to stop such conduct and immediately instruct, in writing, any persons engaging in such conduct that their actions are in violation of this Memorandum of Understanding and are unlawful, and that they must immediately cease such conduct and return to work.
- (c) In the event the Association carries out in good faith its responsibilities set forth in Paragraph (b) above, it shall not be liable for the actions of any individual who participates in conduct prohibited by Paragraph 1 above. Any employee who participates in any conduct prohibited above or violates any other City rule or regulation, shall be subject to disciplinary action including termination by the City.

This shall not abrogate the right of any employee to receive all due process guaranteed to him or her in procedures relating to disciplinary action.

ARTICLE 27: GRIEVANCE PROCEDURE

(a) Definition of Grievance

Grievance shall be defined as a dispute between (1) an employee, group of employees, or the Association on behalf of an individual employee or group of employees, and (2) the city, regarding the application or interpretation of specific provisions of the MOU or City Personnel Rules and Regulations. This procedure is not intended to discourage resolution of disputes regarding the MOU in an informal manner.

(b) Grievance Submittal

Grievances must be submitted on the Grievance form and within the proper time frames to be considered. Time limits when filing formal grievances may be extended by mutual agreement between the parties.

(c) Grievance Procedure Steps

Informal Process

The employee shall first discuss the issue with the appropriate supervisor as soon as practical and in any event no later than 20 working days from the occurrence or knowledge of the occurrence of the issue. The supervisor should respond and when appropriate resolve the issue within 20 working days from the date of the discussion with the employee.

Formal Process

- 1) If the employee is not satisfied with the supervisor's response in the informal process, the employee may submit the issue for formal review by completing the Police Department Review Grievance Form,

stating the specific MOU or City Personnel rule or regulation that was improperly applied and stating the specific resolution desired. This Grievance Form shall be submitted to the Chief of Police for review within 20 working days of the supervisor's response in the Informal process. The Chief will give a written reply by the end of the tenth (10th) workday following the date the grievance was submitted.

- 2) If the grievance is not settled in Step 1 of the formal process, the employee must, within 5 working days following receipt of the Chief's written reply, present the grievance form to the Human Resources Director for further processing. The failure of the grievant to take this action will constitute a waiver of the grievance, unless time limits are extended through mutual agreement.
- 3) Within ten working days of receipt of the grievance, the Human Resources Director will contact the grievant to schedule a meeting with the City Manager or his/her designee to hear the grievance. Either the City or the employees' representative may call other employees as witnesses during the meeting.

A written decision will then be rendered within 15 working days of the hearing. The decision of the City Manager will conclude the grievance process.

ARTICLE 28: PRE-DISCIPLINARY AND APPEAL PROCESS

GENERAL POLICY: The City is committed to following the principles of progressive discipline. Disciplinary actions should be designed to fit the nature of the problem. The particular action imposed shall depend on the severity of the misconduct, the particular factual circumstances involved and take into consideration other incidents with comparable circumstances. All disciplinary action shall be based on the principles of just cause.

PROVISIONS:

(a) Actions defined:

1) Performance Feedback

The use of oral or written performance feedback (including Blue Cards) shall not be considered disciplinary action, and shall be used as a tool by supervisors to address performance problems or minor instances of misconduct, as well as accomplishments. The supervisor or manager should review with the employee both the specific deficiencies in question and the City's standards. The cause(s) of the deficiency should be identified along with specific improvement needed. Any written warnings will be kept in the supervisory file, not the official personnel file, and a copy given to the employee. The employee may respond in writing within 30 days. The supervisory file is intended to be a temporary file to record performance, both positive and negative, throughout the performance year. When the performance evaluation is prepared for the employee, the entire contents of the supervisory file should be considered in determining the overall performance. Once the evaluation is completed and filed in the employee's personnel file, all written performance feedback prepared during the evaluation period must be discarded.

2) Letter of Reprimand

A Letter of Reprimand shall be considered the lowest level of discipline and generally is appropriate to correct an instance of more serious circumstance or employee misconduct which does not warrant suspension or discharge, repeated instances of minor misconduct or identified performance problems. The purpose of a Letter of Reprimand is to put the employee on notice that the City will take other disciplinary action unless improvement in performance is demonstrated. The supervisor or manager issuing the Letter of Reprimand shall meet with the employee to discuss specific improvements required within a defined time period to avoid further disciplinary action. A copy of the Letter of Reprimand will be placed in the

employee's official personnel file. The employee has the right to respond within 30 days.

3) Suspension

Suspension is the temporary removal of an employee from his duties without pay for up to thirty (30) calendar days.

4) Reduction in Pay

A Reduction in Pay is a reduction in hourly salary for a limited and defined period of time, and does not result in any classification change. The employee continues to report to work for the duration of the Reduction in Pay.

5) Demotion

Demotion is the movement of an employee from his current classification to a new classification having a lower salary range.

6) Discharge

Discharge is the involuntary termination of an employee.

(b) Pre-Disciplinary Procedure ("Skelly Meeting")

If an employee is to receive a letter of reprimand, be suspended, receive a reduction in pay, be demoted or discharged, the employee shall:

- 1) Receive written notice of the intended action at least 7 working days before the date it is intended to become effective, which provides the specific grounds and the particular facts upon which the action is based.
- 2) Receive copies of any known materials, reports or other documents upon which the intended action is based.
- 3) The employee shall have the right to respond in writing and/or orally within a reasonable period of time to the intended charges and/or be accorded the right to meet within a reasonable period of time with the Chief of Police who has the authority to modify or eliminate the intended disciplinary action.
- 4) Be given the written decision of the Chief prior to the effective date of the disciplinary action.

(c) Appeal Process

- 1) A disciplinary action of Letter of Reprimand and any suspension up to and including 3 days, is appealable as follows:

Step 1: The employee must, within twelve (12) working days, present the appeal to the Human Resources Director for processing. The failure of the employee to take this action shall constitute a waiver of the appeal, unless time limits are extended through mutual agreement.

Step 2: Within ten working days of receipt of the appeal, the Human Resources Director will set up a meeting between the employee and his/her representative with the City Manager or his or her designee to review the issues. A written decision will then be rendered within fifteen (15) working days of the meeting. The decision of the City Manager will be final.

It is not intended that the appeal procedure be used to effect changes in the established salary and fringe benefits.

Either the City or the Association may call any employee as a witness to any of the above steps, and the City agrees to compensate said witness for his testimony. The parties agree to make every effort to call witnesses while they are on duty.

- 2) A disciplinary action of suspension in excess of 3 days, or if the result of the discipline is over 3 days total suspension time in a 12-month period, reduction in pay, demotion or discharge is appealable using the following process.

Appeal Procedure:

Step 1: The employee may appeal to the Board of Review (LA County Civil Service Commission) or request an outside Arbitrator to hear the appeal by filing an appeal to the Police Chief's action within twelve (12) working days. The Arbitrator will be selected from a list supplied by the State Mediation and Conciliation Services. In the event agreement cannot be reached on the identity of the arbitrator, both parties will alternately strike names from the list until only one remains. The order of striking names will be decided by a flip of the coin

Step 2: In cases of discharge, reduction of pay or suspension without pay in excess of five (5) days, a hearing will be granted. For suspensions of 4 or 5 days, the Board of Review or Arbitrator may make a decision without a hearing, after a review of the written materials submitted by all parties concerned. As indicated in MB Municipal Code Section 2.08.090, Removal and Suspension of Employees and Officers, the City Manager may affirm, revoke or modify the action of the Board of Review or Arbitrator and that decision shall be final.

The City and POA will each pay half of the cost of appeals to a Board of Review or an Arbitrator if the Association assists the appellant in its representative capacity or in any way financially. Shared costs shall include only those charges from the Board of Review or Arbitrator.

ARTICLE 29: HOURS OF WORK/OVERTIME

- (a) Firearms qualification - All members of the department are required to qualify at the range each quarter. Time spent qualifying will be in a paid status. All employees on shifts when the range is open will qualify while on duty. Employees who shoot at the range at times for other than the required qualification or training will be considered to be on personal time and such time is not counted as working time and is not compensable in any manner whatsoever.
- (b) Court standby pay - A member of the bargaining unit, who while off-duty is on court standby status, may leave a telephone number where he or she may be reached while on court standby. Such time is not considered hours worked under the FLSA, however, the employee will be paid 1/2 his regular rate of pay.
- (c) Court pay - When an employee is required to appear in court while off-duty, he shall be paid for all hours spent in court, with a minimum credit of three (3) hours for each morning court session and an additional 2 hours for each afternoon court session. If an employee's regular work shift begins within 2 hours from the time the employee is called to court, the employee will be paid for the time prior to the start of his regular shift. Travel time shall not be considered hours worked and shall not be compensated.
- (d) Call-back pay - Call back duty occurs when an employee is ordered to duty on a non-regularly scheduled work shift. Call back does not occur when an employee is held over from her prior shift or is working prior to her regularly scheduled shift. An employee called back to duty shall be credited with a minimum of 1 hour work commencing when she received the phone call to report to duty. Any hours worked in excess of 1 hour shall be credited on an hour for hour basis for actual time worked. Travel time home shall not be considered hours worked and shall not be compensated in any manner whatsoever. This provision is to be distinguished from "Court Standby" pay in Section 26b which is to be used when an employee is called to appear in court.

- (e) Training time - Attendance at training schools/facilities which improves the performance of regular tasks and/or prepares for job advancement is compensable for hours spent in class only. Any time spent in excess of the classroom time will not be counted as working time and is not compensable in any manner whatsoever. Time spent in studying and other personal pursuits is not compensable hours of work, even though the employee may be confined to campus or to barracks 24 hours a day. Travel time to and from the training facility outside of an employee's normal work shift is not compensable hours of work.

All local and non-local travel must be in accordance with the guidelines outlined in Administrative Instruction #6 "Travel and Attendance at Conferences and Meetings". Whenever possible and practical, supervisors will try to arrange City-related travel to occur during working hours and minimize the impact to the employee's own time. It is the employee's responsibility to identify potential conflicts and bring them to their supervisor so that they may be addressed in the most feasible fashion.

- (f) General overtime - All employees required to work in excess of the standard work period of 80.0 hours in a 14 day Fair Labor Standards Act cycle shall receive compensation at the rate of time and one-half his rate of pay or compensatory time at the rate of 1.5 times hours worked at the employee's option. An employee's compensatory time bank shall not exceed 55 hours. Effective August 20, 2005, an employee's compensatory time bank shall not exceed 65 hours.

In determining an employee's eligibility for overtime compensation in a work period, paid vacations, holidays, bereavement leave, and compensatory time, shall be included as hours worked. The following paid leaves of absence are not considered hours worked for purposes of calculating overtime: 1) Sick Leave; 2) Administrative Leave; 3) 4850 Time.

- (i) Overtime authorization - All overtime requests must have the prior authorization of a supervisor prior to the commencement of such overtime work. Where verbal authorization is obtained, written authorization must be obtained as soon thereafter as practicable. Dispatched calls beyond the end of duty time are considered as authorized.

An employee's failure to obtain prior written approval, or explicit verbal authorization followed by written authorization, will result in the denial of the overtime request. The overtime slip constitutes written authorization.

- (j) Clothes changing - Time spent in changing clothes before or after a shift is not considered hours worked and is not compensable in any manner whatsoever.
- (k) City vehicle use - Employees who are provided with a City vehicle to travel to and from work shall not be compensated in any manner whatsoever for such travel time in the City vehicle. (This provision also applies in those situations where the radio must be left on and monitored.)
- (l) All Police Sworn employees shall work under the 4/10 plan. Scheduling remains a management right. If an officer is placed on a multi-jurisdictional assignment, the officer shall work the schedule utilized by the assignment.
- (m) Modified duty assignments. The parties recognize that temporary modified duty assignments (commonly referred to as "light duty") may be assigned to affected employees who are temporarily incapacitated from performing all usual and customary duties of their position. The parties hereby specifically agree that determination by administration of the days and hours of work to which an employee shall be assigned while performing "light duty," is a management right.

ARTICLE 30: DIRECT DEPOSIT PAYCHECKS

Employees covered under this MOU shall receive their biweekly compensation through the City's direct payroll deposit program.

ARTICLE 31: ABANDONMENT OF POSITION

Employees absent from work without authorization or notification for three consecutive working days, shall be construed to have abandoned their employment with the City and be subject to termination.

ARTICLE 32: GARNISHMENTS

A \$25.00 initial set-up fee and \$7.00 service charge per garnishment per payroll check shall be charged to the employee. Child support garnishments will be subject to the \$25 set up fee and \$1.00 service charge per garnishment per payroll check. Garnishments imposed prior to July 10, 1993, shall be charged at the 1992-93 M.O.U. rates.

ARTICLE 33: SHIFT BIDS

Employees in the classification of Police Officer and Police Sergeant shall be entitled to select their shifts. It remains the sole discretion of the department to determine through the master schedule of available shifts, which days off are associated with any particular shift. Shift selection shall be made based upon seniority in the employee's current classification (including any time served in a higher or lower paying classification). The only exceptions to this entitlement are under the following conditions:

- (a) To accommodate a formal PIP
- (b) To facilitate the separation of two employees who have a formal, documented hostile work environment and/or sexual harassment incident.
- (c) To facilitate the separation of two employees who have a formal, documented adverse situation which has impacted the effectiveness of the shift to which they are assigned.

Movement of individuals under the above circumstances shall only be done after all other reasonable efforts have been considered.

If a non-probationary Police Officer or Police Sergeant is displaced from his selected shift (after the shift bid has been finalized) by an officer being moved under one of the above circumstances, that displaced officer or sergeant shall be entitled to a 5% bonus of their current base salary for the period of the displacement.

Under this article, the placement of officers or sergeants for the purposes of balancing experience throughout the shift, equal distribution of FTOs or other officers assigned collateral duties such as CSI, DUI, DRE, or to assign premium shifts as inducements or rewards to less senior officers, are specifically excluded.

Any dispute regarding the necessity of movement of officers or the accuracy of the asserted need shall be resolved by the City's Human Resources Director.

Notwithstanding any other provisions of this Article: (1) Probationary Police Officers may be assigned to specific shifts for training purposes which will be accomplished by blocking out the last slot on the particular shift needed and before shifts are bid, and (2) A maximum of two probationary police sergeants may be assigned to specific shifts for training purposes, which will be accomplished by blocking out the appropriate slot on the particular shift

needed before the shifts are bid. Each slot will be on a different shift. There will be no bumping mid-cycle. The Department will have the right to closely or exactly match probationary sergeants' days off to that of the lieutenant on the shift they are assigned to.

ARTICLE 34: NO SMOKING

Employees hired after September 3, 1988, must refrain from smoking tobacco or using any other tobacco substance at any time on or off duty as a condition of continued employment. Violation of this condition of employment shall be deemed good cause for discipline up to and including dismissal.

ARTICLE 35: DRUG TESTING PROGRAM

The City and the Association agree to mutually work together for the prevention of alcohol and substance abuse in the workplace for the benefit of the employees, City, and the residents of Manhattan Beach. The agreed Alcohol and Substance Abuse Policy is incorporated herein as Attachment A.

ARTICLE 36: FITNESS PROGRAM

The City and Association, during the term of this agreement, agree to discuss the implementation of a fitness program. No program will be adopted without agreement of both parties.

ARTICLE 37: EMPLOYEE/EMPLOYER RELATIONS RESOLUTION

The parties have agreed that if, during the term of the MOU, the City requests to discuss the Employee/Employer Relations Resolution, no changes will be made without written agreement of the parties.

ARTICLE 38: FULL AND COMPLETE UNDERSTANDING

This Memorandum of Understanding represents the full and complete understanding between the parties related to the subject matter set forth herein and all preliminary negotiations of whatever kind or nature are merged herein. The parties hereto have caused this Memorandum of Understanding to be executed as of August 6, 2006.

ATTACHMENT A**CITY OF MANHATTAN BEACH
AND
MANHATTAN BEACH POLICE OFFICERS ASSOCIATION
DRUG AND ALCOHOL ABUSE POLICY****I. PURPOSE**

The City of Manhattan Beach and the Manhattan Beach Police Officers Association recognize that behavior resulting from the use of alcohol and other drugs detrimentally affects work performance, safety, security, and public confidence in City employees and presents a risk to City employees and the health and welfare of the citizens of the City of Manhattan Beach.

While the City has no intention of intruding into the private lives of its employees, the special nature of the duties entrusted in public safety officers demands that the use of alcohol and other drugs which may affect an employee's ability to perform his or her job be strictly regulated.

Employees who think they may have an alcohol or drug usage problem are urged to seek confidential assistance from the Employee Assistance Program. While the City will be supportive of those who seek help voluntarily, the City will be equally firm in identifying and disciplining those who continue to be substance abusers and do not seek help.

II. POLICY

It is the policy of the City of Manhattan Beach that employees shall not be under the influence of alcohol or drugs, nor possess alcohol or drugs while on City property, at work locations, or while on duty or on an "on-call" status; shall not utilize, sell or provide drugs or alcohol to any other employee or to any person while such employee is on duty or on an "on-call" status, nor have their ability to work impaired as a result of the use of alcohol or drugs.

The City reserves the right to search, without employee consent, all areas and property in which the City maintains control or joint control with the employee, except as restricted by the California Public Safety Officers Procedural Bill of Rights Act.

Refusal to submit immediately to an alcohol and/or drug analysis when requested by a sworn supervisor for the causes for testing listed in this policy may constitute insubordination and may be grounds for discipline up to and including termination.

Employees reasonably believed to be under the influence of alcohol or drugs shall be prevented from engaging in further work and shall be detained until he or she can be reasonably transported from the work site.

The City provides an Employee Assistance Program (EAP) to assist those employees who voluntarily seek help for alcohol or drug problems. The City and the Association encourage and support the rehabilitation of employees with alcohol and drug abuse problems through the constructive use of the EAP. It is understood that EAP counseling sessions are confidential except for compliance with mandatory EAP referral evaluations and program requirements. Records kept under this program shall be available only to those persons who administer the program or monitor, and/or manage employees participating in the EAP program.

III. APPLICATION

This policy applies to all employees in the classification of Police Officer and Police Sergeant. This policy applies to alcohol and to all substances, drugs, medications, legal or illegal, which could impair an employee's ability to effectively and safely perform the functions of the job.

IV. EMPLOYEE RESPONSIBILITIES

An employee must:

- A. not report to work or be subject to duty while his or her ability to perform job duties is impaired due to on or off duty alcohol or drug use;
- B. not possess or use alcohol or impairing drugs (illegal drugs and prescriptions drugs without a prescription) during working hours or while subject to duty, on breaks, during meal periods or at anytime while on City property, with the exception of substances which have been confiscated by arrest and are in transport to designated holding facilities, or incidents which are performed as part of the job and with the condoning by the Chief of Police;
- C. not directly or through a third party sell or provide drugs or alcohol to any person, including any employee, while either the employee or both employees are on duty or on an "on-call" status;
- D. submit immediately to an alcohol and drug test when requested by a sworn supervisor;
- E. notify his or her supervisor, before beginning work, when taking any medications or drugs, prescription or non-prescription, which may interfere with the safe and effective performance of duties or operation of City equipment; and
- F. provide within 24 hours of request bona fide verification of a current valid prescription for any potentially impairing drug or medication declared by the employee before the drug test and identified when a drug test is positive. The prescription must be in the employee's name.

V. MANAGEMENT RESPONSIBILITIES AND GUIDELINES

- A. Sworn supervisors are responsible for reasonable enforcement of this policy.
- B. Sworn supervisors may request that an employee submit to a drug and/or alcohol test when any of the "Causes for Testing" items listed in this policy occur.
- C. In cases of "reasonable suspicion", any sworn supervisor requesting an employee to submit to a drug and/or alcohol test must document in writing the facts constituting reasonable suspicion that the employee in question is intoxicated or under the influence of drugs and submit said documentation to the Chief of Police prior to the end of the shift.
- D. Any sworn supervisor encountering an employee who refuses an order to submit to a drug and/or alcohol analysis upon request shall remind the employee of the requirements and disciplinary consequences of this policy. Where there is reasonable suspicion that the employee is under the influence of drugs or alcohol, the sworn supervisor shall detain the employee until the employee can be safely transported to the testing facility by a manager or supervisor. The employee will be relieved of his/her weapon, which will be secured by the department until the employee is authorized to return to work.

- E. Sworn supervisors shall not physically search the person of employees, nor shall they search the personal possession of employees without the freely given consent of, and in the presence of, the employee, or unless a valid search warrant has been obtained, or where he or she has been notified in advance that a search will be conducted.
- F. Sworn supervisors shall notify the Chief of Police or designee when they have reasonable suspicion to believe that an employee may have illegal drugs in his or her possession or in an area not jointly or fully controlled by the City, or those other areas protected by the Public Safety Officers Procedural Bill of Rights Act.

VI. CAUSES FOR TESTING

Employees covered by this policy shall be tested for drugs or alcohol for any of the following reasons:

1. Randomly during initial probationary period.
2. Prior to promotional appointment.
3. Within 30 days prior to renewal date of Drivers License.
4. Within 30 days of assignment to investigative detail.
5. Within 30 days of assignment to SWAT.
6. As soon as possible after reporting a traffic accident where the employee's work vehicle was moving.
7. Whenever there is "reasonable suspicion" of an employee under the influence on worktime.

Reasonable suspicion is a belief based on objective facts sufficient to lead a reasonably prudent supervisor to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired or so that the employee's ability to perform his or her job safely is reduced. For example, any of the following, alone or in combination, may constitute reasonable suspicion:

- a. Slurred or thick speech;
- b. Alcohol odor on breath;
- c. Inability to perform work properly;
- d. Unsteady walking and movement;
- e. Unusual or anti-social behavior so unusual that it warrants summoning a supervisor;
- f. Eyes that stare blankly or appear glassy;
- g. Possession of alcohol or drugs;
- h. Nystagmus;
- i. Information obtained from a reliable person with personal knowledge whose identity is known.

VII. PHYSICAL EXAMINATION AND PROCEDURE

The physical examination and procedure are detailed in an addendum to this policy. Amendments to the addendum shall not affect any other section in this policy.

Whenever a sworn supervisor deems a drug test necessary for any of the eight reasons listed in cause for testing, the manager or supervisor shall send the employee to the City's medical facility for testing. If the employee is impaired or is for any reason deemed unsafe to transport him or herself to the facility, the manager or supervisor or designee shall transport the employee to the City's medical facility for the test. The employee shall be paid for time spent at the examination. The City shall bear the expense of the examination, and shall provide transportation to and from the medical facility and the employee's work site.

The medical provider uses a certified National Institute of Drug Abuse (NIDA) laboratory. The certification of laboratories performing drug testing for Federal agencies was developed by NIDA to assure strict adherence to the rigorous standards of testing and custody control form. Test results are returned to the Medical Review Officer (MRO).

The initial test is a process called Urine Drug Screen # 37042N. If all results are negative, the test is complete. If a positive test result is noticed, a secondary test using the Gas Chromatography/Mass Spectrophotometry (GCMS) method is conducted by the laboratory to verify the results. This test has been used as binding legal and medical precedent. If the subsequent test is negative, then the test is considered negative for all purposes. If the subsequent test confirms a positive finding, it is noted on the report and sent to the MRO. At this point, in cases other than THC and cocaine, the MRO will contact the employee to discuss the possibility that the person has taken medication (prescription or otherwise) that was not indicated on the original form completed by the employee. The employee is not informed of a positive result, he or she is just asked to clarify any drug intake. The final results are then sent by the MRO to the City.

Drugs tested for include, but are not limited to Amphetamines, Barbituates, Benzodiazepines, Cocaine, Methadone, Methaqualone, Opiate, PCP, THC, Propoxyphene, and Alcohol. Cut off levels shall be consistent with the current guidelines issued by NIDA.

VIII. RESULTS OF DRUG AND/OR ALCOHOL TESTING

A. During Employment Drug and/or Alcohol Tests

1. A positive result from a drug and/or alcohol analysis may result in appropriate disciplinary action, up to and including discharge, pursuant to the City's disciplinary policy.
2. If a drug screen is positive, the employee must provide within 24 hours of request, bona fide verification of a valid prescription for the drug declared by the employee before the drug test and identified in the drug screen. The prescription must be in the employee's name. If the employee does not provide acceptable verification of a valid prescription or if the prescription is not in the employee's name, or if the employee has not previously notified his or her supervisor, the employee will be subject to disciplinary action, up to and including discharge.
3. If an alcohol or drug test is positive for alcohol or drugs, the City shall conduct an investigation to gather all facts. The decision to discipline or discharge will be carried out following an evaluation of the circumstances.

IX. APPEALS

If the employee desires to appeal a positive test result, he or she may request a new testing of a remaining portion of the original urine sample, or split sample, within 3 business days of notification of the original test result. The split sample test by Gas Chromatography/Mass Spectrophotometry (GC/MS) shall be conducted at the employee's expense and shall be conducted by any National Institute of Drug Abuse approved laboratory located in California.
