H. COMMISSION ITEMS

Commissioner Silverman inquired about a library tour. Ms. Allen reported that the request has been made and the County has offered to give a tour closer to the Grand Opening, which has not yet been scheduled.

Commissioner Hartzell requested that Don Gould be formally thanked by the Commission for his service to our library and community.

Commissioner Elasowich moved to formally thank Mr. Gould at a future Commission meeting. Commissioner Cooperman seconded the motion.

Absent: Commissioner Clemons

Commissioner Cooperman asked if there is any way to get the word out to the public. Ms. Allen stated that the information could go on the City Website and social media.

Commissioner Silverman would like to recommend that the City Council also recognize Mr. Gould.

Commissioner Hartzell asked the Yoland DeRamus of the County of Los Angeles when the Commission might know who will succeed Don Gould. Ms. DeRamus stated that the County is in the process of interviewing and is hoping to make a selection soon. When the successor is chosen, he or she will come to a Library Commission meeting to meet the Commissioners.

Commissioner Hartzell inquired if a new children's librarian will be hired. Ms. Barbara Custen, Assistant Director, LA County, stated that the County will be hiring a Full-time Children's librarian II and a full-time Children's librarian I to be in place by the time the library opens. One would focus on Children and the other would focus on middle/high school students.

Ms. DeRamus announced that a grand opening date has not yet been set by Supervisor Don Knabe.

I. GENERAL BUSINESS

15/0112.1 Sunday Library Hours – Ms. Allen introduced Ms. DeRamus and Ms. Custen for a presentation on the cost of Sunday hours. Ms. Ramus stated that the cost would be \$76,000/year for 4 hours and \$125,000/year for 6 hours. Ms. Allen stated that there are no funds for Sunday hours so those funds would need to come from hours cut from other days or the City Council would have to vote to allot funds to Sunday hours. Commissioner Hartzell inquired if the library could be open every other Sunday. Ms. DeRamus stated that there is a level of expectation for patrons and that currently, all

LA County libraries that are open on Sunday are open every Sunday to avoid confusion. Commissioner Hartzell asked, if there are any restrictions on where the funds can come from, if the City or County could not provide the funds. Ms. DeRamus stated that handling donations is a simple process and that the donations should be ongoing to satisfy expectation of service.

Commissioner Silverman asked if the hours would be a full day. Ms. DeRamus stated that a half day is what was requested. She stated that first the library would open, then usage statistics would be studied to find the best open hours and programming decisions would be based on those statistics. She stated that some cities supplement funding for their Sunday hours. Commissioner Cooperman stated that Mr. Gould would come in every year with \$50,000 of funds approved for unspecified programs. He asked if those funds are available, might they be used to fund Sunday staffing. Ms. Custen replied that the library will be operating on a tight budget due the bond obligation, however everything should work as it had before. Ms. DeRamus stated that if those funds were available and had not been committed to any other program, it could probably be used to fund staffing. Ms. Custen cautioned that the community will expect very good library service, and if those funds were available, programming should not be sacrificed.

Commissioner Hartzell stated that the Commission is in favor of exploring the Sunday hours. Ms. Allen stated that the City Council instructed the Commission to discuss the topic and suggest an implementation plan. Ms. Allen stated that she would work with the County to examine a plan to add Sunday by closing another day during the week. The two scenarios could then be discussed at a future meeting.
