Improve Our Environment

# Manhattan Beach is Smoke-Free in ALL

its Public Places

The City's Smoke-Free Public Places Ordinance Reduces:

- ▶ The dangers of secondhand smoke
- ▶ Cigarette litter that pollutes beach & ocean

Smoking (including e-cigarettes) is only allowed within:

- ▶ Private residential property (except multi-unit housing, licensed day care & healthcare)
- ▶ Designated hotel & motel rooms
- ▶ A moving vehicle

No se permite fumar en lugares públicos.

Please join us in making Manhattan Beach a healthier & cleaner community.

Smoking of any sort, including use of electronic cigarettes and vaping, is prohibited in all public places and places of employment within the City of Manhattan Beach in accordance with Manhattan Beach Municipal Code 4.116.030.
