## City of Manhattan Beach

**TO:** Honorable Members of the City Council

**THROUGH:** Geoff Dolan, City Manager

**FROM:** Honorable Mayor Fahey

**DATE:** April 5, 2005

**SUBJECT:** Ratification of New Council Assignments

---

**RECOMMENDATION:**

It is recommended that the Members of the City Council ratify the attached Council Assignments list.

**FISCAL IMPLICATION:**

There are no fiscal implications associated with the recommended action.

**DISCUSSION:**

It has been the discretionary responsibility of each Mayor to review the standing list of City Councilmember assignments to the City's various government and community-related committees.

The attached list reflects the designated changes and, if ratified, will remain in effect until the next Council rotation, which takes place on January 3, 2006.

In the case of the "Beach Cities" Committee, it is recommended that the Council remove this committee from the list. It appears that the original intent was for one councilperson each from Manhattan Beach, Redondo Beach and Hermosa Beach to meet and discuss common issues; however, the committee has not met for many years and there are several other forums for the beach cities to interact (ICA and the SBCCOG for instance).
