

CITY OF MANHATTAN BEACH

TELECOMMUNICATIONS

COMMUNITY WORKSHOP

We invite the community to join us on

TUESDAY, SEPTEMBER 26, 2017

6:00 PM - 8:00 PM

Police/Fire Conference Room

400 15th Street, Manhattan Beach, CA 90266

to learn about Telecom and...

- New smaller cell site; these are not your large old cell towers anymore!
- The future of telecommunications in Manhattan Beach
- Technology challenges and opportunities - how can we get better wireless coverage for phones, video streaming and internet access
- What is the City's role vs the Telecom providers' roles
- How cell sites are selected and what options does the City have to regulate and charge fees
- Streetlights and how they fit into the telecommunications equation
- Various City, State and federal regulations that address telecommunications sites and services
- Q and A
