

Manhattan Beach • Winter 2017 Commercial Recycling News

Mandatory Commercial Organics Recycling

California's **Mandatory Organic Waste Recycling law (AB 1826)** requires businesses generating 4 cubic yards of organic waste per week to have organics recycling service. Please see schedule below:

Year	Cubic Yards Generated Weekly
•2017	4 (organic waste)
•2019	4 (commercial solid waste, regardless of amount of organic waste)
•2020	2 (commercial solid waste, regardless of amount of organic waste)

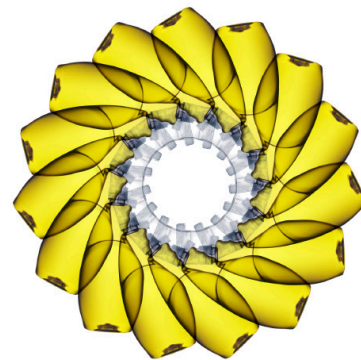

Food waste recycling is available to all businesses in the City of Manhattan Beach. The cost is already included in your refuse rate.

If you are not yet participating, please call Waste Management Customer Service and our organics experts will visit your business to share details about our food waste-to-energy program, train your staff and answer any questions you may have. We can custom design a program that best fits your needs. Please contact us at askgreen@wm.com to help set up your food waste recycling program.

Recycling Reminder

Recycling is mandatory in the City of Manhattan Beach. With the adoption of AB 341, the state of California requires commercial enterprises and public entities that generate four or more cubic yards per week of waste, and multi-family housing facilities with five or more units, to adopt recycling practices.

How Waste Management Can Help

Waste Management offers Manhattan Beach commercial businesses recycling at no additional charge, for both commercial bins and carts. Waste Management's single-stream recycling program makes it easy for your business to recycle, by allowing all of your recyclables to be placed in a single bin.

Let us Help You Comply!

Waste Management can help your business stay in compliance. For more information, visit our website at business.wm.com/manhattan-beach or schedule a free commercial audit by calling customer service at (310) 830-7100.

What is Recyclable? See Reverse Side for a List of Acceptable items.

**RECYCLE OFTEN.

Green Business Certification

Does your business strive to consciously conserve resources every day? Let us recognize your efforts with our Green Business Certification. Waste Management, the City of Manhattan Beach, the Chamber of Commerce and the Downtown Manhattan Beach Business Association have partnered up to certify and recognize businesses that promote sustainability in their business practices.

How to Apply:

- If you own a business in Manhattan Beach, you can apply for certification by visiting greenbusinessca.org and filling out the application.
- A Waste Management representative will contact you to follow up on the application and discuss the certification process.
- Or contact us at askgreen@wm.com.

By participating in this program, not only will you help the environment and preserve valuable resources, you will also benefit from:

- A healthier workplace
- Significant cost savings and access to rebates
- A “green seal” to place on your door or window
- An invitation to an annual awards ceremony hosted by Waste Management and the City of Manhattan Beach
- Recognition on Waste Management’s local website: business.wm.com/manhattan-beach

Construction & Demolition Debris Collection and Recycling

Waste Management can recycle most common Construction and Demolition (C&D) materials, including: concrete, porcelain, rigid plastics, tile, lumber, metals, masonry, plastic, rock, carpet, insulation and more.

We will work with you to develop an easy and cost-effective recycling plan, while ensuring that you always remain in compliance with your project plan and city ordinances. In addition, these recycling efforts can help you achieve valuable points toward LEED® certification.

Contact our builder’s direct desk for a specialized consultation, service rates and other information, 1-866-445-8296.

Waste Management Facility Tour Dates

Learn more about what happens to material after it leaves the curb! Visit the Azusa MRF (Material Recovery Facility) to learn about what happens to recyclable material in your blue cart and visit the CORe facility (2050 N. Glassell, Orange, CA 92865) to learn more about what happens to the food waste placed in your green cart. Please note, tour attendees must be over the age of 14 and wear closed toe shoes. Space is limited. Please email askgreen@wm.com or call (310) 924 -0402 to confirm your attendance.
