

ORDINANCE NO. 18-0016

AN ORDINANCE OF THE CITY OF MANHATTAN BEACH
AMENDING THE MANHATTAN BEACH MUNICIPAL CODE TO
EXPAND THE REGULATIONS IN CHAPTER 5.80 TO
REGULATE ADDITIONAL POLYSTYRENE PRODUCTS,
CERTAIN SINGLE-USE PLASTIC, AND OTHER SINGLE-USE
PRODUCTS

RECITALS

- A. The California Legislature has declared that littered plastic products have caused and continue to cause significant environmental harm and burdened local governments with significant environmental cleanup costs (California Public Resources Code Section 42355).
- B. On September 10, 2013, the City Council of Manhattan Beach ("City") adopted Ordinance No. 13-0009 prohibiting the use of polystyrene products by food vendors, including single-use, disposable products such as plates, bowls, trays, wrappers, platters, cartons, condiment containers, cups or drink ware, and any other container in which prepared foods are placed for consumption.
- C. On April 1, 2014, the City Council adopted Ordinance No. 14-0003, which expanded the regulations in Ordinance No. 13-0009 to include a prohibition on the distribution and sale of polystyrene straws, cup lids, and utensils in connection with the preparation of prepared food and the retail sale of polystyrene food service ware and ice chests.
- D. There are additional single-use plastic products that are harmful to the environment and are not regulated by Ordinance No. 13-0009 and Ordinance No. 14-0003. Moreover, even non-plastic single-use products are harmful to the environment if littered after their use. The additional regulations hereinafter will further serve the City's goal of reducing litter.

THE CITY COUNCIL OF THE CITY OF MANHATTAN BEACH HEREBY ORDAINS AS FOLLOWS:

SECTION 1. CEQA Finding. This Ordinance is exempt from the environmental review requirements of the California Environmental Quality Act (CEQA) pursuant to Section 15061 (b)(3) of Title 14 of the California Code of Regulations because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment. Further, the proposed Ordinance is exempt from CEQA on the separate and independent ground that it is an action of a regulatory agency for the protection of the environment because it will strengthen the City's regulations regarding the distribution and sale of single-use plastic (including polystyrene) products that harm the environment. Thus, this Ordinance is categorically exempt from the requirements of CEQA under Section 15308 of Title 14 of the

California Code of Regulations as an action by a regulatory agency for the protection of the environment.

SECTION 2. The title of Manhattan Beach Municipal Code (“Municipal Code”) Chapter 5.80 is hereby amended to read “REGULATIONS ON THE DISTRIBUTION, SALE AND USE OF CERTAIN POLYSTYRENE PRODUCTS, SINGLE-USE PLASTIC AND OTHER SINGLE-USE PRODUCTS.”

SECTION 3. The City Council hereby amends Municipal Code Section 5.80.010 to read as follows:

“5.80.010 - Purpose.

The purpose of this chapter is to regulate the use of certain polystyrene products and single-use plastic and other single-use products in order to protect the health of Manhattan Beach citizens and promote environmentally sustainable practices in the City.”

SECTION 4. The City Council hereby amends Municipal Code Section 5.80.020 to: (a) amend the definitions of (1) “Disposable Food Service Ware” or “Disposables,” (2) “Food Provider,” (3) “Polystyrene,” and (4) “Prepared Food”; (b) change the title of “Recycle Code” to “Resin Code”; and (c) add definitions for the following terms: “Compostable,” “Egg Carton,” “Plastic Beverage Straw,” “Plastic Stirrer,” “Plastic Utensil,” “Polystyrene Packing Product,” “Raw Food,” and “Raw Food Tray.” The amended and new definitions follow. All other definitions remain unchanged. The City Clerk is hereby directed to insert such amended and new definitions in Section 5.80.020 in alphabetical order.

"Raw Food" means any vegetable, fruit, or egg.

“Resin Code” means a resin identification code placed on plastics primarily to identify the material composition for separation of different types of plastics for recycling.”

SECTION 5. The City Council hereby amends Subsections A, B and C of Municipal Code Section 5.80.030 to apply the regulations contained therein to the distribution or sale of “raw food” as follows:

A. No food provider shall distribute or sell any polystyrene food service ware in conjunction with the sale of prepared food or raw food at any location within the City.

B. Food providers that distribute prepared food or raw food in disposable food service ware shall (1) distribute only disposables that exhibit a Resin Code other than No. 6 or PS, and (2) maintain documentation about the composition of the disposable food service ware. C. No Person shall distribute or sell prepared food or raw food in any polystyrene food service ware at City facilities that have been rented, leased or are otherwise being used with permission of the City. This subsection is limited to use of City facilities for which a Person has entered into an agreement with the City to rent, lease or otherwise occupy a City facility. All facility rental agreements for any City facility shall include a provision requiring contracting parties to assume responsibility for preventing the utilization and/or distribution of polystyrene food service ware while using City facilities. The facility rental agreement shall indicate that a violating contractor’s security deposit will be forfeited if the City Manager or his designee determines that Polystyrene food service ware was used in violation of the rental agreement.”

SECTION 6. The City Council hereby adds a new Section 5.80.037 to the Municipal Code to regulate single-use straws, stirrers and utensils to read as follows:

The City may require the applicant to provide additional information as necessary to make the required determinations.
 2. The City Manager or his/her designee may approve the exemption for a maximum of one year, with or without conditions, upon finding that compliance would create an undue hardship. Undue hardship shall be construed to include but not be limited to situations where:

- D. Decisions of the City Manager may be appealed by the Person applying for the exemption to the City Council. SECTION 11. SEVERABILITY.
