**RE: AB 1356 (Ting) Cannabis: Local Jurisdiction: Retail Commercial Cannabis Activity**

**Notice of OPPOSITION** *(as Amended 5/16/19)*

Dear Assemblymember Gonzalez:

The City of Manhattan Beach respectfully opposes AB 1356 (Ting). Under this bill, if more than 50 percent of the voters of a local jurisdiction voted in favor of Proposition 64, these local jurisdictions would be required to issue a minimum number of licenses authorizing retail cannabis activity within that jurisdiction. More specifically, the bill requires these cities to issue a minimum of one retail cannabis license for every four liquor licenses, or one retail cannabis license for every 10,000 residents.

Existing law, under both the Medicinal and Adult-Use Cannabis Regulation and Safety Act (MAUCRSA) and Proposition 64, states that local jurisdictions have the ability to adopt and enforce local ordinances to regulate cannabis businesses. Based on the minimum requirement in this bill, the City of Manhattan Beach would be required to issue a minimum of two retail commercial cannabis licenses. By removing local governments' ability to regulate brick and mortar retail cannabis shops, AB 1356 undermines the very foundation of local control and thereby negates the primary purpose of California's established dual licensing structure.

With regard to the measure's mandated 1-to-6 ratio, there is simply no nexus between a city's regulation of citizens' access to retail commercial cannabis and the number of liquor establishments within a community. By requiring such a ratio, AB 1356 proposes an arbitrary land use standard for individual cities and counties based on the results of a statewide ballot measure.

In seeking to eliminate locals' authority to ban or regulate retail commercial cannabis businesses, AB 1356 would ultimately strip cities and counties of the ability to decide what is appropriate for their communities—a premise that directly contravenes the framework understood by the voters when approving Proposition 64.

For these reasons, the City of Manhattan Beach opposes AB 1356.

Sincerely,

Steve Napolitano  
Mayor  
City of Manhattan Beach
