BUDGET PRIORITIES

OPEN HOUSE

TUESDAY, JANUARY 28 • 6 to 7:30 PM

JOSLYN COMMUNITY CENTER

1601 North Valley Drive, Manhattan Beach

You're invited to the **Budget Priorities Open House** for an interactive look at the City's financial resources. Learn what's already on the horizon and tell us about your specific ideas as we develop the budget for fiscal year 2020-2021.

We'll take you through the operations of different City departments and programs that impact your day-to-day life and ask for your feedback on how the City's funds should be allocated.

In addition to the Open House, residents are invited to take an online **Budget Priorities Survey** at [www.citymb.info/budget](http://www.citymb.info/budget) to offer their opinions on the community's current and future needs.

Food will be provided, so please **RSVP** to [budget@citymb.info](mailto:budget@citymb.info).
