Agenda Item:

F. PUBLIC COMMENTS (3 MINUTES PER PERSON)

Comment:

Unnecessary, ugly sign #8. This is in Porto, going south soon after coming into the city. There's an old 30 mph sign less than a block north of the new radar sign that itself has a static 30 mph sign. Ugly overkill, and the old sign should have come down when the new one went up, but again, staff is insensitive to sign clutter. Can beautify N.M.B. for zero dollars with a bit more attention. This current condition does not directionally support "Florence of the S. Bay."

**City Council Meeting, February 18, 2020
Public Comments, Agenda Item No. 8**

**Submitted by: Gary Osterhout
Position: (Not Provided)
Received: 02-17-2020 04:24 PM**

Agenda Item:

8. 20-0023 Fiscal Year 2019-20 Mid-Year Budget Report and Update on Fiscal Year 2020-21 Budget Development (Finance Director Charelian). RECEIVE REPORT

Comment:

From Staff Report, looks like attach. #4 was to summarize the open house comments, but is just a PPT of the typical, useless high-level info served up in lieu of more workable, understandable and decisionally-useful data. As usual, Staff is allowed to just mail it in when it comes to resident engagement. And they didn't even provide you the written comments from the Open City Hall--which is the only useful feedback info from that effort (see attached). Staff won't change until you tell them to.

Community Budgeting

What are YOUR budget priorities?

Survey Questions

QUESTION 1

If you were on the City Council, how would you spend a budget dollar in the City's General Fund? You've got one dollar to 'spend,' on essential City services. Allocate 100 green dots with each dot representing one cent, that reflects how you would budget City resources.

- Police and Fire Services
- Parks and Recreation
- General Administration & Support Services (Management, Finance, Human Resources, Information Technology)
- Community Development
- Street Maintenance and Facilities (Maintenance Only – Capital Outlay paid from other Funding Sources)
- Public Works Administration & Engineering (Management and Oversight of Operations and Capital Projects)

QUESTION 2

If additional General Fund dollars become available, please rank your priorities for how the money should be allocated to current operational priorities. To see more detailed information on each priority, please click on the priority name.

- Police – Patrol
- Police – Investigations
- Police – Community Affairs
- Police – Technical Support Services
- Police – Traffic Safety and Parking Enforcement
- Fire – Operations
- Fire – Emergency Medical Services
- Fire – Prevention
- Fire – Support Services
- Recreation Programs – Recreation Services
- Recreation Programs – Sports and Aquatics
- Recreation Programs – Cultural Arts
- Recreation Programs – Older Adults
- Community Development – Code Enforcement
- Community Development – Building
- Community Development – Planning/Zoning
- Community Development – Environmental Sustainability
- Community Development – Traffic Engineering
- General Administration and Support Services – Management, Finance, HR, IT
- Public Works – Street Maintenance and Facilities

- Public Works – Administration & Engineering for Maintenance and Infrastructure Projects

QUESTION 3

Although these infrastructure priorities often have dedicated funding sources described above, community input is essential to align City resources with community preferences. Please rate the following infrastructure priorities on a scale of “1-Low Importance” to “5-High Importance”:

Row choices

- Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune, Begg Pool, etc.
- Parking Facility Maintenance and Replacements
- Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center
- Sewer Infrastructure Maintenance and Replacements
- Sidewalk, Median, and Street Light Maintenance and Replacements
- Stormwater Infrastructure Maintenance and Replacements
- Street Maintenance and Resurfacing Projects
- Water Infrastructure Maintenance and Replacements

Column choices

- 1
- 2
- 3
- 4
- 5

QUESTION 4

If other funding becomes available, please prioritize your choice for the facility you think is most in need of significant updating, remodeling and/or replacement:

- Begg Pool
- Civic Center Plaza
- Fire Station #2
- Joslyn Community Center
- Manhattan Beach Historical Red House at Polliwog Park
- Manhattan Heights Community Center
- Manhattan Beach Arts Center

QUESTION 5

Community Budgeting

What are YOUR budget priorities?

Do you have any other comments on the City's Budget or other priorities not listed in this survey?

Question 1

- Police and Fire Services (76)
- Parks and Recreation (5)
- General Administration & Support Services (Management, Finance, Human Resources, Information Technology) (3)
- Community Development (3)
- Street Maintenance and Facilities (Maintenance Only – Capital Outlay paid from other Funding Sources) (10)
- Public Works Administration & Engineering (Management and Oversight of Operations and Capital Projects) (3)

Question 2

1. Police – Patrol
2. Police – Traffic Safety and Parking Enforcement
3. Fire – Emergency Medical Services
4. Police – Investigations
5. Fire – Operations
6. Fire – Support Services
7. Police – Technical Support Services
8. Fire – Prevention
9. Police – Community Affairs
10. Public Works – Street Maintenance and Facilities
11. Public Works – Administration & Engineering for Maintenance and Infrastructure Projects
12. Community Development – Code Enforcement
13. Community Development – Traffic Engineering
14. Community Development – Planning/Zoning
15. Community Development – Building
16. Recreation Programs – Recreation Services
17. Recreation Programs – Sports and Aquatics
18. Recreation Programs – Cultural Arts
19. Recreation Programs – Older Adults
20. General Administration and Support Services – Management, Finance, HR, IT
21. Community Development – Environmental Sustainability

Question 3

Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune,

Begg Pool, etc.: 4

Parking Facility Maintenance and Replacements: 3

Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center: 3

Sewer Infrastructure Maintenance and Replacements: 4

Sidewalk, Median, and Street Light Maintenance and Replacements: 4

Stormwater Infrastructure Maintenance and Replacements: 4

Street Maintenance and Resurfacing Projects: 5

Water Infrastructure Maintenance and Replacements: 5

Question 4

1. Fire Station #2
2. Begg Pool

Question 5

Question 1

- Police and Fire Services (50)
- Parks and Recreation (20)
- General Administration & Support Services (Management, Finance, Human Resources, Information Technology) (11)
- Community Development (8)
- Street Maintenance and Facilities (Maintenance Only – Capital Outlay paid from other Funding Sources) (6)
- Public Works Administration & Engineering (Management and Oversight of Operations and Capital Projects) (5)

Question 2

1. Fire – Operations
2. Fire – Emergency Medical Services
3. Police – Patrol
4. Community Development – Code Enforcement
5. Community Development – Environmental Sustainability
6. Recreation Programs – Cultural Arts
7. Recreation Programs – Sports and Aquatics

Question 3

Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune,

Community Budgeting

What are YOUR budget priorities?

Begg Pool, etc.: 4
Parking Facility Maintenance and Replacements: 3
Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center: 4
Sewer Infrastructure Maintenance and Replacements: 5
Sidewalk, Median, and Street Light Maintenance and Replacements: 4
Stormwater Infrastructure Maintenance and Replacements: 5
Street Maintenance and Resurfacing Projects: 5
Water Infrastructure Maintenance and Replacements: 5

Question 4

1. Begg Pool
2. Manhattan Beach Arts Center
3. Fire Station #2

Question 5

Do NOT demolish and replace Scout House. It has great historical value and significance. Restoration and preservation should be the priorities. If a Scout/Senior Center is genuinely needed (and, the "Scout" component is questionable given the decline in Scouting), then build it elsewhere. The proposed facility is out of scale for the existing site and would require removal of several large canopy trees. It's a bad project in all respects.

Question 2

1. Community Development – Building
2. Community Development – Code Enforcement
3. Police – Patrol
4. Community Development – Planning/Zoning
5. Police – Traffic Safety and Parking Enforcement
6. Public Works – Street Maintenance and Facilities

7. Community Development – Traffic Engineering
8. Fire – Operations
9. Public Works – Administration & Engineering for Maintenance and Infrastructure Projects
10. Police – Technical Support Services
11. Fire – Prevention
12. Fire – Support Services
13. Police – Investigations
14. Fire – Emergency Medical Services
15. Police – Community Affairs
16. General Administration and Support Services – Management, Finance, HR, IT
17. Recreation Programs – Sports and Aquatics
18. Recreation Programs – Older Adults
19. Recreation Programs – Cultural Arts
20. Recreation Programs – Recreation Services
21. Community Development – Environmental Sustainability

Question 3

Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune, Begg Pool, etc.: 5
Parking Facility Maintenance and Replacements: 5
Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center: 3
Sewer Infrastructure Maintenance and Replacements: 5
Sidewalk, Median, and Street Light Maintenance and Replacements: 4
Stormwater Infrastructure Maintenance and Replacements: 4
Street Maintenance and Resurfacing Projects: 4
Water Infrastructure Maintenance and Replacements: 5

Question 4

1. Manhattan Beach Historical Red House at Polliwog Park
2. Fire Station #2
3. Joslyn Community Center
4. Manhattan Beach Arts Center
5. Manhattan Heights Community Center
6. Begg Pool
7. Civic Center Plaza

Question 5

I support and encourage directing money toward the police and fire departments needs. However, their pensions are way too generous and do not compare with defined benefit pension plans in the private sector. While an increase of 1% or 2% in benefits doesn't sound like much, years of small increases and years of compounding have made these obligations unsustainable in the long term. While this isn't a today crisis, it will be if it is continually pushed down the road. Take a look at Chicago

Community Budgeting

What are YOUR budget priorities?

Question 4

1. Fire Station #2
2. Manhattan Beach Historical Red House at Polliwog Park
3. Manhattan Heights Community Center
4. Joslyn Community Center

Question 5

Sidewalk maintenance and repair and street repair need significant improvement. Sidewalks are currently being "repaired" with inferior material that breaks down in as little as 3 months; a worthless waste that needs to be redone continuously (job security?)

Transparency in as to how money is being spent or why funds are needed. All too often, additional funds are needed due to pension fund liability's that reduce funds available for the schools but that is not being honestly communicated.

1. Begg Pool
2. Manhattan Beach Historical Red House at Polliwog Park
3. Manhattan Heights Community Center

Question 5

Please get rid of the duck pond at Polliwog park. The park is underutilized because it's full of duck poop. If the pond was turned into a grassy field (or really, anything else), the park would be so much better. South Park in Hermosa should be an example - it is so much more enjoyable.

Question 1

- Police and Fire Services (50)
- Parks and Recreation (15)
- General Administration & Support Services (Management, Finance, Human Resources, Information Technology) (12)
- Community Development (8)

Community Budgeting

What are YOUR budget priorities?

- Street Maintenance and Facilities (Maintenance Only – Capital Outlay paid from other Funding Sources) (8)
- Public Works Administration & Engineering (Management and Oversight of Operations and Capital Projects) (7)

Question 2

No response

Question 3

Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune, Begg Pool, etc.: 5
Parking Facility Maintenance and Replacements: 4
Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center: 5
Sidewalk, Median, and Street Light Maintenance and Replacements: 3
Stormwater Infrastructure Maintenance and Replacements: 2
Street Maintenance and Resurfacing Projects: 4
Water Infrastructure Maintenance and Replacements: 3

Question 4

No response

Question 5

The City Council and staff are focused on making our community rich in culture, health, and the environment. We must continue to maintain and improve our infrastructure, encourage staff to be creative and stay current with the newest technologies. What a blessing to live in the wonderful city!

January 19, 2020, 1:56 PM

Question 1

- Police and Fire Services (50)
- Parks and Recreation (21)
- General Administration & Support Services (Management, Finance, Human Resources, Information Technology) (8)
- Community Development (8)
- Street Maintenance and Facilities (Maintenance Only – Capital Outlay paid from other Funding Sources) (10)
- Public Works Administration & Engineering (Management and Oversight of Operations and Capital Projects) (3)

Question 2

1. Recreation Programs – Sports and Aquatics
2. Community Development – Code Enforcement
3. Fire – Operations
4. Police – Patrol
5. Public Works – Street Maintenance and Facilities
6. Community Development – Building
7. Community Development – Environmental Sustainability
8. Public Works – Administration & Engineering for Maintenance and Infrastructure Projects
9. Recreation Programs – Cultural Arts
10. Recreation Programs – Recreation Services
11. Fire – Emergency Medical Services
12. Community Development – Planning/Zoning
13. Community Development – Traffic Engineering
14. Fire – Support Services
15. Fire – Prevention
16. Police – Technical Support Services
17. Recreation Programs – Older Adults
18. Police – Traffic Safety and Parking Enforcement
19. Police – Community Affairs
20. Police – Investigations
21. General Administration and Support Services – Management, Finance, HR, IT

Question 3

Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune, Begg Pool, etc.: 5
Parking Facility Maintenance and Replacements: 2
Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center: 3

Sewer Infrastructure Maintenance and Replacements: 5
Sidewalk, Median, and Street Light Maintenance and Replacements: 5
Stormwater Infrastructure Maintenance and Replacements: 4
Street Maintenance and Resurfacing Projects: 4
Water Infrastructure Maintenance and Replacements: 4

Question 4

1. Begg Pool
2. Fire Station #2
3. Manhattan Beach Historical Red House at Polliwog Park
4. Manhattan Heights Community Center
5. Manhattan Beach Arts Center
6. Joslyn Community Center
7. Civic Center Plaza

Question 5

The demographics are changing in MB. School enrollment is expected to decline and the resident population is expected to increase in age. The schools were once the biggest draw and still provide a stable floor to real estate values but I think we need to look at other areas of our community to enhance life at this beach city and provide reasons for people to want to stay as well as come and visit. Nicer roads and nicer facilities with better lighting and green space would keep our city on par with the level of value people have come to associate with MB.

Thank you for taking time to conduct this survey.

Stormwater Infrastructure Maintenance and Replacements: 3
Street Maintenance and Resurfacing Projects: 4
Water Infrastructure Maintenance and Replacements: 3

Question 4

1. Begg Pool

Question 5

By far my #1 priority for infrastructure in MB is a state-of-the-art Aquatic Center to replace and upgrade Begg Pool, that would add an annual paid "membership" option modeled on private swim clubs for use of a separate family/recreational swimming pool (or a separate section of a single multi-use pool). I'd also love to see more nature trails, improved playgrounds, more aquatics programs, increased public art, and a community garden in Manhattan Beach. We are very happy residents of what we feel is the best city in the country! Thank you! :)

3. Public Works – Street Maintenance and Facilities

Question 3

Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune, Begg Pool, etc.: 5
Parking Facility Maintenance and Replacements: 3
Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center: 5
Sewer Infrastructure Maintenance and Replacements: 3
Sidewalk, Median, and Street Light Maintenance and Replacements: 4
Stormwater Infrastructure Maintenance and Replacements: 3
Street Maintenance and Resurfacing Projects: 3
Water Infrastructure Maintenance and Replacements: 3

Question 4

1. Begg Pool
2. Joslyn Community Center
3. Manhattan Heights Community Center

Question 5

Would really love to have a real aquatic center!

Also as a mom, I've really noticed how bad the sidewalks are in our city. Walking with a stroller is difficult in so many areas and it doesn't seem like the sidewalks are kept up to code everywhere.

Lastly, I can't believe how much money is spent on Fire and Police! As a resident of the tree section there are robberies every other week, yet I never see any police casually patrolling. Then when a robbery happens they have 30 cops and a helicopter or two come out. Doesn't seem like any prevention plans are in place to protect our homes.

Community Budgeting

What are YOUR budget priorities?

Question 1

- Police and Fire Services (17)
- Parks and Recreation (24)
- General Administration & Support Services (Management, Finance, Human Resources, Information Technology) (12)
- Community Development (15)
- Street Maintenance and Facilities (Maintenance Only – Capital Outlay paid from other Funding Sources) (15)
- Public Works Administration & Engineering (Management and Oversight of Operations and Capital Projects) (17)

Question 2

1. Community Development – Traffic Engineering
2. Public Works – Administration & Engineering for Maintenance and Infrastructure Projects
3. Community Development – Environmental Sustainability
4. Recreation Programs – Sports and Aquatics
5. Police – Patrol

Question 3

Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune, Begg Pool, etc.: 5
Parking Facility Maintenance and Replacements: 3
Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center: 3
Sewer Infrastructure Maintenance and Replacements: 3
Sidewalk, Median, and Street Light Maintenance and Replacements: 3
Stormwater Infrastructure Maintenance and Replacements: 3
Street Maintenance and Resurfacing Projects: 3
Water Infrastructure Maintenance and Replacements: 4

Question 4

1. Begg Pool
2. Joslyn Community Center

Question 1

- Police and Fire Services (55)
- Parks and Recreation (12)
- General Administration & Support Services (Management, Finance, Human Resources, Information Technology) (11)
- Community Development (10)
- Street Maintenance and Facilities (Maintenance Only – Capital Outlay paid from other Funding Sources) (6)
- Public Works Administration & Engineering (Management and Oversight of Operations and Capital Projects) (6)

Question 2

1. Community Development – Environmental Sustainability
2. Public Works – Administration & Engineering for Maintenance and Infrastructure Projects
3. Recreation Programs – Cultural Arts

Question 3

Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune, Begg Pool, etc.: 3
Parking Facility Maintenance and Replacements: 2
Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center: 3

Community Budgeting

What are YOUR budget priorities?

Sewer Infrastructure Maintenance and Replacements: 4
Sidewalk, Median, and Street Light Maintenance and Replacements: 3
Stormwater Infrastructure Maintenance and Replacements: 4
Street Maintenance and Resurfacing Projects: 3
Water Infrastructure Maintenance and Replacements: 4

Question 4

1. Manhattan Heights Community Center
2. Fire Station #2

Question 5

The survey was challenging to understand given the lack of details as to what is in each budget line item. For example, is police and fire costs driven by pensions? Also, the capital improvement building lacked facilities that needed significant update, for example Live Oak Park. The tennis office, ceramics studio and Live Oak Hall (kids program) are in desperate need to maintenance, update/replacement as there is water damage (and possibly mold) in all the building structures. Hundreds of people use those facilities including small children. We are putting them at health risk as well as endangering very popular city run programs.

18. Fire – Operations
19. Fire – Emergency Medical Services
20. General Administration and Support Services – Management, Finance, HR, IT
21. Recreation Programs – Older Adults

Question 3

Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune, Begg Pool, etc.: 5
Parking Facility Maintenance and Replacements: 1
Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center: 3
Sewer Infrastructure Maintenance and Replacements: 5
Sidewalk, Median, and Street Light Maintenance and Replacements: 5
Stormwater Infrastructure Maintenance and Replacements: 5
Street Maintenance and Resurfacing Projects: 5
Water Infrastructure Maintenance and Replacements: 5

Question 4

1. Begg Pool
2. Manhattan Heights Community Center
3. Manhattan Beach Arts Center
4. Manhattan Beach Historical Red House at Polliwog Park
5. Fire Station #2
6. Joslyn Community Center
7. Civic Center Plaza

Question 5

Programs should be more inclusive for children. The manhattan beach dolphins swim team should accept all children. We moved here and have been told our children can't join. There should be more parks and Rec activities that make it easier for working parents to bring their children. There should be police patrolling regularly on foot to minimize / deter stolen packages. More plain clothes dress police officers roaming around should deter the petty crime. Children can walk safely - but a homeless man entered Meadows Elementary and died. Be like Manhattan in NYC

Community Budgeting

What are YOUR budget priorities?

and pass city ordinances to prohibit & make it illegal to sleep or live on the streets. Also do everything to make sure the FAA building on Aviation & Marine isn't turned into any facility for homeless - we can't have homeless people roaming the streets and scaring our children as they go to school or walk to and from school. Yes, some homeless people are harmless, but many are mentally ill or on drugs. Pass laws to outlaw squatters and it will keep homeless people away so we prioritize our children's safety.

Question 2

Community Budgeting

What are YOUR budget priorities?

1. Police – Patrol
2. Police – Community Affairs
3. Recreation Programs – Sports and Aquatics

Question 3

Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune, Begg Pool, etc.: 5

Parking Facility Maintenance and Replacements: 1

Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center: 5

Sewer Infrastructure Maintenance and Replacements: 3

Sidewalk, Median, and Street Light Maintenance and Replacements: 3

Stormwater Infrastructure Maintenance and Replacements: 3

Street Maintenance and Resurfacing Projects: 2

Water Infrastructure Maintenance and Replacements: 3

Question 4

1. Begg Pool
2. Joslyn Community Center

Question 5

We do not need any new taxes, just better stewardship of the ample revenues we already collect. Let's get realistic with staff salaries -- they are too high, when combined with the extremely generous benefits package available to public sector workers. Let's hold our staff accountable for performing their jobs themselves rather than hiring consultants to do them for them. Let's allocate funds to quality of life issues like enforcing the codes we have already enacted (e.g., leafblower and smoking ban). Let's be honest about our budget rather than always trying to make it sound like the City's on the verge of bankruptcy.

January 24, 2020, 10:24 AM

Question 1

- Police and Fire Services (15)
- Parks and Recreation (25)
- General Administration & Support Services (Management, Finance, Human Resources, Information Technology) (20)
- Community Development (10)
- Street Maintenance and Facilities (Maintenance Only – Capital Outlay paid from other Funding Sources) (20)
- Public Works Administration & Engineering (Management and Oversight of Operations and Capital Projects) (10)

Question 2

1. Community Development – Traffic Engineering
2. Public Works – Street Maintenance and Facilities
3. Public Works – Administration & Engineering for Maintenance and Infrastructure Projects

Question 3

Community Budgeting

What are YOUR budget priorities?

Outdoor Recreation Facilities and Parks – Polliwog, Live Oak, Sand Dune, Begg Pool, etc.: 5

Parking Facility Maintenance and Replacements: 5

Recreational Facilities – Joslyn Center, Manhattan Heights, Arts Center: 2

Sewer Infrastructure Maintenance and Replacements: 5

Sidewalk, Median, and Street Light Maintenance and Replacements: 5

Stormwater Infrastructure Maintenance and Replacements: 5

Street Maintenance and Resurfacing Projects: 5

Water Infrastructure Maintenance and Replacements: 5

Question 4

1. Begg Pool

Question 5

The Begg Pool and Field parking situation, particularly the one lane entrance/exit is a major public safety issue. You need police traffic control 4-6pm. And, steps down to Begg Field from the upper parking lot.

Also, get the Park Ranger to stop driving his huge SUV all over Pollywog park harassing dog walkers. Give him a bike and a smile. And, teach him to help with the traffic disaster.

Sidewalk, Median, and Street Light Maintenance and Replacements: 4
Stormwater Infrastructure Maintenance and Replacements: 4
Street Maintenance and Resurfacing Projects: 5

Question 4

1. Begg Pool
2. Fire Station #2

Question 5

It is absurd that the City of MB is planning to spend nearly \$1MM replacing street signs throughout the city, simply for a new logo and branding. That is a complete waste of money. Most of our street signs are in perfectly good condition, so please don't waste time and money changing them for aesthetics. Furthermore, the blue street signs in MB are iconic for our town. I hate that they will be replaced by boring white signs like everywhere else. The blue signs with the wave provide more branding than white signs with a small new logo. If some of the existing signs are in disrepair, or if MB needs additional signage, then fix those, but please do not replace our blue beloved street signs! The new logo can go plenty of other places, where it will be bigger and easier to see, for City branding.

2. Joslyn Community Center
3. Manhattan Beach Arts Center
4. Manhattan Beach Historical Red House at Polliwog Park
5. Civic Center Plaza
6. Manhattan Heights Community Center
7. Begg Pool

Question 5

The ceramics programs could use additional funding. Currently the roof has a leak, the kilns capabilities/capacities could be increased given the number of students and young adults taking classes, and supplies such as wheel throwing bats, glazes, storage facilities for clay and just basic infrastructure currently depend upon the generosity of students taking classes. The studio is small, for the size of Manhattan BEach's community.

Water Infrastructure Maintenance and Replacements: 5

Question 4

1. Manhattan Beach Historical Red House at Polliwog Park

Question 5

What I find to be the most significant hurdle with civic engagement, especially for younger people, is the lack in understanding in combination with the slow nature of government which naturally loses interest. Since we cannot significantly speed up the process from citizen response government action, we must increase the availability and/or detail of information that can decrease the gap of American civic engagement compared to other areas of the world, such as Europe. Of course, I don't have the answers, because if I did then surely someone would have had those ideas before, implemented them, and we wouldn't be discussing this. Regardless, this survey provides great information on what certain services do, but if one wants informed opinions, at least on the first section, I'd prefer more information on how each portion of the budget is used. Seeing 58% of the budget used for Police and Fire Services technically does make me feel safer as a citizen, but 58% is a difficult percentage to consider when you only have four words to go by. In total, I really admire the work put into this survey.

Stormwater Infrastructure Maintenance and Replacements: 3
Street Maintenance and Resurfacing Projects: 4
Water Infrastructure Maintenance and Replacements: 4

Question 4

1. Fire Station #2
2. Begg Pool
3. Joslyn Community Center

Question 5

Public safety, education and the environment are my priority's. Public safety is one of the main topics and issues that each council member runs their campaign on to be elected. We pride our City (and advertise) that we have the best public safety and schools system. I hear differently from our Police, Firefighters and Educators. They feel unvalued and should be paid in the top 1/3 of the "like" Cities in the South Bay. We compare our City with Beverly Hills but don't compensate our employees anywhere near what they do. We continually increase our taxes and pass bond measures, lets use that money to increase our Fire department and Paramedic services. Why do I see other Cities assisting us on day to day emergencies? Much of our home values are based on the safety, security and school system that come from our great Police, Fire and Teachers. If we don't value them as a community, over time, we will have a retention issue. By then it will be to late to fix the problem.

Question 4

No response

Question 5

I don't feel qualified to answer these questions. Most, if not all of these services are mandatory at some level. I don't know where we are with respect to these mandatory levels. If we are below the mandatory levels, that is where funds should be directed. After that, if discretionary funds are available, I would favor using them for things that improve the "quality of life" for Manhattan Beach residents.

4. Manhattan Beach Historical Red House at Polliwog Park
5. Manhattan Heights Community Center
6. Manhattan Beach Arts Center
7. Civic Center Plaza

Question 5

No response

**City Council Meeting, February 18, 2020
Public Comments, Agenda Item No. 12**

**Submitted by: Gary Osterhout
Position: Neutral
Received: 02-17-2020 04:30 PM**

Agenda Item:

12. 20-0103 Conduct Public Hearing to Consider Adopting Resolutions Regarding the Citywide User Fee Schedule and Cost Allocation Plan, Including Administrative Fees Applicable to Wireless Encroachment Permits in The Public Rights-Of-Way (Finance Director Charelian). a) CONDUCT PUBLIC HEARING b) ADOPT RESOLUTION NO. 20-0025 (COMPREHENSIVE FEE SCHEDULE) c) ADOPT RESOLUTION NO. 20-0026 (WIRELESS ENCROACHMENT PERMITS)

Comment:

I'm looking for a fee schedule based on not what you CAN charge, but what you SHOULD charge relative to the project. And it would be nice to see these proceeds go to a visible, direct benefit to the residents of M.B. instead of just being agglomerated and pooled, especially in respect to general fund-related fees.
