## FEDERAL, STATE, AND COUNTY UPDATES

- Update on County-Run COVID-19 Testing Sites – Due to the current State of Emergency in Los Angeles County, [the operations of some county testing sites were closed](#) today. All patients who have registered for appointments were notified by email or phone to reschedule. Visit [lacounty.gov/testing](http://lacounty.gov/testing) for the most updated list of testing sites any and changes to operational hours impacted by local curfews.
- Actions in Response to COVID-19 - [Governor Newsom issued an Executive Order](#) that addresses a variety of issues in response to the pandemic, which includes:
  - An extension for local governments to halt evictions for renters through July 28;
  - An extension to the Department of Motor Vehicles drivers' licenses and identification cards mail-in renewals;
  - Waiving administrative requirements that restrict child care of essential workers; and
  - Individuals enrolled in the 2019-20 school year scheduled to obtain their preliminary credential, waiving the teacher performance assessment requirement for the education specialist credential due to the statewide stay-at-home Order. Visit [gov.ca](http://gov.ca) for more information.
- Protect Yourself from COVID-19 When Using Transportation – As businesses and community organizations begin providing services, be sure to [protect yourself and slow the spread of COVID-19 when using transportation](#). Considerations include, what is feasible, practical, and acceptable to meets your needs. To assist public's health and safety, the Center for Disease Control and Prevention (CDC) provided transportation tips for people for rideshare, taxi, limo for-hire vehicles, as well as shared bikes, scooters, skateboards, and other micro-mobility devices. CDC also posted resources for people with transportation-related jobs. Visit [cdc.gov](http://cdc.gov) for more information.

- **CDC Search Database of COVID-19 Resources** – The CDC has created a State, Territorial, Local, and Tribal Health Department [Search Database of COVID-19 Resources](#). Viewers can search for thousands of COVID-19 terms and resources across various languages and file types. As business owners, employers and employees go back to work and re-open, CDC resources and guidelines in other languages may be useful. Visit [cdc.gov](#) to use the Search Database.
- **Projections in Healthcare / Predictive Modeling** - The Los Angeles County [Department of Health Services](#) (DHS) released an updated [COVID-19 Projections of Hospital-based Health Care Demand](#). This update includes data on hospital visits and volume through May 26. One of the key findings state, "The overall volume of hospital-based care for patients with COVID-19 appears generally stable or slightly down trending, within the model uncertainty, consistent with prior predictions." Download the latest [COVID-19 Predictive Model](#) here.
- **Latest COVIDView Surveillance Report** – The Center for Disease Control and Prevention (CDC) launched [COVIDView](#), a weekly surveillance summary of United States COVID-19 activity. The latest report summarized and interprets key national indicators. Download the latest [Weekly Summary](#) here.
