This swash-buckling tale follows the quest of Captain Jack Sparrow, a savvy pirate, and Will Turner, a resourceful blacksmith, as they search for Elizabeth Swann, the daughter of the governor and the love of Will's life, who has been kidnapped by the fierce and clever Captain Barbossa and his crew who have been cursed, doomed for all eternity to neither live, nor die.

October 12th - The Lake House (PG for some language and a disturbing image.)

An independent-minded doctor who once occupied an unusual lakeside home begins exchanging love letters with its newest resident, a frustrated architect. When they discover that they're actually living two years apart, they must try to unravel the mystery behind their extraordinary romance before it's too late.

October 19th - The Devil Wears Prada (PG-13 for some sensuality.)

In New York, the simple and naïve Andrea Sachs is hired to work as the second assistant of the powerful and sophisticated Miranda Priestly, the ruthless, merciless executive of Runway fashion magazine. Andrea dreams to become a journalist and faces the opportunity as a temporary professional challenge. Multiple people advise Andrea about the behavior and preferences of their cruel boss and help Andrea to dress more adequately for the environment. Andrea changes her attitude and behavior, affecting her private life and the relationship with those close to her.

October 26th - The Nightmare Before Christmas (PG for some scary images.)

It is the same routine every year in Halloweentown: the monsters come out and perform a real scare. This Halloween, the "pumpkin king" Jack Skellington, bored of the celebration, saunters off into the woods. Upon the break of dawn, he discovers a clearing of trees with different doors representing various holidays. The Christmas Tree door attracts his attention and enters to discover the world of Christmas. Jack, fascinated with the new idea of Christmas, decides that he must share his enthusiasm with the citizens of Halloweentown.
