COVID-19 SITUATION REPORT

JUNE 8, 2020

CURRENT INITIATIVES AND UPDATES

- **Anti-Eviction Ordinance Update** – City Council adopted an urgency ordinance that provides temporary protection for commercial and residential tenants during the COVID-19 local emergency. Highlights include a reduction in the notification period from 30 days to 7 days for tenants to notify landlords starting July 1. Landlords cannot evict tenants for failure to pay rent if that failure is COVID-19 related. The Anti-Eviction Ordinance does not relieve the tenant of liability for the unpaid rent; the tenant must pay the rent within six months of the expiration of the COVID-19 local emergency. A landlord may not charge a late fee for delayed rent. For more information, visit the City's website at www.citymb.info/covidFAQ.
- **Virtual #CoffeewiththeMayor on Wednesday, June 10, 3:00 PM** – Join Mayor Richard Montgomery for a casual conversation over a cup of coffee from the comfort of your own home on Wednesday, June 10, 3:00 to 4:00 PM via Zoom video conference! This is your opportunity to interact with the Mayor, get to know him, convey a concern, ask a question, or just listen to the conversation. To ensure Mayor Montgomery will be able to answer all questions in the hour, please [email](#) questions in advance of Wednesday's virtual meeting. For more information and Zoom meeting details, visit the City's [website](#).
- **City Solicits Input on Outdoor Dining** – [Your feedback matters!](#) If you have not yet completed the [brief survey](#) on outdoor dining, take a few minutes, and [complete the survey before the survey input period ends tomorrow at 3 PM!](#) The Manhattan Beach City Council has been [discussing a plan](#) to allow temporary outdoor dining and business use within public parking spaces for restaurants and businesses. Outdoor dining will accommodate social distancing measures required by State and County protocols to limit the spread of COVID-19. The City Council will discuss this matter tomorrow night. Your input is valued and appreciated!
- **City Council to Discuss Budget, Outdoor Dining, Retail, Public Parking and Additional COVID-19 Measures Tuesday, June 9, 6:00 PM** – At Tuesday's City Council meeting, Council will discuss the Fiscal Year 2020-2021 budget, outdoor dining, retail options on the public right-of-way (sidewalks or parking spaces), and private property for restaurants and businesses to accommodate social distancing measures required by state and county protocols to limit the spread of COVID-19. View the [agenda and attachments](#) on the City's website. In the interest of maintaining appropriate social distancing, the City Council encourages the public to participate by using one of the options to submit public comments found on the City's [website](#).

FEDERAL, STATE, AND COUNTY UPDATES

- **COVID-19 Testing** – Additional testing sites independently run from the County and State have been added to the registration [site](#). Same day appointments are available at State operated

OptumServe sites. To make an appointment at OptumServe or other locations, visit lacounty.gov/testing.

- **Comprehensive Data Reports Improves Response to COVID-19** – The U.S. Department of Health and Human Services (HHS) [announced new guidance](#) that specifies what additional data laboratories must report to HHS along with COVID-19 test results. The Guidance standardizes reporting to ensure that public health officials have access to comprehensive and nearly real-time data to inform decision making in response to COVID-19. Visit hhs.gov for more information.
- **PPE for Front-Line Workers to Re-Open Safely** - [Governor Newsom announced](#) that a stable, reliable, and local supply of personal protective equipment (PPE) from California-based [BYD North America](#) received its certification from the National Institute for Occupational Safety and Health (NIOSH). BYD produces N95 respirators for the State. Cal OES explicitly required NIOSH certification of N95 in the BYD contract so that California's doctors, nurses, and front-line workers can be confident that the N95 masks they receive from the State are of the highest quality and meet federal health and safety standards. BYD North America will begin shipping the PPE to front-line workers to help sectors re-open safely. Visit ca.gov for more information.
- **Latest COVIDView Surveillance Report** – The Center for Disease Control and Prevention (CDC) launched [COVIDView](#), a weekly surveillance summary of United States COVID-19 activity. The newest report summarized and interpreted key national indicators. Download the latest [Weekly Summary here](#). More information on coronavirus, hospitalization, and mortality across the nation can be found on cdc.gov.
- **L.A. County Daily Briefing Statistics on COVID-19** – L.A. County Department of Public Health has confirmed ten new deaths and 823 new cases of COVID-19 in [today's daily briefing](#). There are a total of 2,655 deaths; ninety-three percent of people who died had underlying health conditions. Testing capacity continues to increase in L.A. County, with testing results available for over 708,000 individuals and 8% of people testing positive. 6,923 people who tested positive for COVID-19 have been hospitalized (11% of positive cases) at some point during their illness. To view DPH's COVID-19 Surveillance Dashboard, visit lacounty.gov. To view L.A. County statistics as part of the State, visit update.covid-19.ca.gov.

LATEST NUMBERS ON COVID-19

| AREA | POSITIVE CONFIRMATIONS (CHANGE) | DEATHS (CHANGE) |
|---------------------------------|------------------------------------|--------------------|
| United States ¹ | 1,938,823 (+17,919) | 110,375 (+474) |
| California ² | 131,319 (+2,507) | 4,653 (+27) |
| Los Angeles County ³ | 64,644 (+823) | 2,655 (+10) |
| Manhattan Beach ⁴ | 83 (+1) | 3 (+0) |
