COVID-19 SITUATION REPORT

JUNE 11, 2020

CURRENT INITIATIVES AND UPDATES

- **COVID-19 Frequently Asked Questions** – As the COVID-19 pandemic evolves, the City of Manhattan Beach updates a comprehensive list of [COVID-19 Frequently Asked Questions \(FAQs\)](#). The FAQs are especially helpful navigating ordinances in response to COVID-19, such as the eviction moratorium. If a specific question is not listed, [email](#) the City.
- **Last Call for Artists: Celebrating 100 Years of Manhattan Beach Pier** – In celebration of 100 years of the iconic Manhattan Beach Pier, the Parks & Rec Department invites you to participate in the art exhibition, "Pierspectives" by painting, sculpting, drawing, designing, modeling or photographing the pier through your lens. Be sure to submit your application tomorrow, June 12. Visit the City's [website](#) for more information.
- **Citywide Street Sweeping Resumes** – Beginning on Monday, June 15, the City will resume citywide street sweeping of public streets and will allow a grace period for residents to comply with street sweeping parking regulations. Stay tuned for more details in a future announcement.
- **County Releases Re-Opening Protocols for Public Beach Use** – This evening, the County published a re-opening protocol on public beach use that allows chairs, canopies and coolers on the beach. In addition, one public health requirement states, "Gatherings of any size or other events such as athletic competitions are not allowed on the beaches. Summer beach and surf camps are permitted and must follow the public health day camp protocol. Other athletic beach camps such as volleyball are not allowed." [View full re-opening protocol here](#). The City will release a press release tomorrow summarizing the newest public health order and its impacts on the City.
- **Recent Press Releases**
 - [Council Approves Temporary Outdoor Dining and Business Use within Public Parking Spaces for Restaurants and Businesses](#) (6/10/20)
 - [Advisory on Fireworks](#) (6/10/20)

FEDERAL, STATE, AND COUNTY UPDATES

- **FTC Released COVID-19 Complaint Data**– The Federal Trade Commission ([FTC](#)) released [information on the different types of fraud and complaints received related to COVID-19](#). National and state-level data are viewable on FTC's new [Interactive COVID-19 Complaint Data Dashboards](#). Visit [FTC's Explore Data](#) page and watch the video to learn how informative the data can be. For more information, visit ftc.gov.
- **Industry-Specific Webinars to Safely Re-Open** – The [California Office of the Small Business Advocate is hosting a series of industry-specific informational webinars](#) on Friday, June 12, beginning at 10:00 AM. The webinars will cover guidance and checklists each industry needs to know to safely re-open. [Register online](#). Choose to attend one or more of the following webinars:
 - 10:00 AM Hospitality

- 11:00 AM Dine-In Restaurant
- 12:00 PM Manufacturing
- 1:00 PM Logistics
- 2:00 PM Office Work
- 3:00 PM Retail
- **EDD Expands Its Mass Hiring Effort** – With increased federal funding due to increased claim activity, [the Employment Development Department \(EDD\) continues to expedite a mass hiring effort](#) to fill more than 4,800 positions over the next several weeks. So far, several hundred are already on board and in training, while more than 1,700 have received conditional job offers. Visit edd.ca.gov for more information.
- **California State Parks COVID-19 Resource Center** – California State Parks created an [online portal](#) to serve as a one-stop center to find information on State Park closures, modifications, and resources available. Park operations are modified to provide an outdoor experience that reduces the risk and exposure to COVID-19. Modifications at each park vary. Visitors should prepare and check the [webpage of the park unit](#) you plan to visit before leaving home to find out what new guidelines are in effect. Visit parks.ca.gov for the State Parks COVID-19 Resource Center.
- **COVID-19 Training for Health Centers** - This U.S. Department of Health and Human Services (HHS), through the Health Resources and Services Administration ([HRSA](#)), [awarded \\$8 million to organizations that provide training and technical assistance to HRSA-funded health centers nationwide](#). These organizations provide critical COVID-19 resources to health centers, including support and expertise to advance health centers' ability to prevent, prepare, and respond to the COVID-19 pandemic. For more information, visit hhs.gov.
- **CURE ID App to Assist in Treatment of COVID-19** – The [Food and Drug Administration and the National Institute of Health updated the CURE ID crowd-sourcing app](#). The public-private partnership has made it easier for healthcare providers to document their experience treating COVID-19 patients using a mobile device or the website. Healthcare providers worldwide are encouraged to use [CURE ID's web-based repository](#) to share their experience and use of drugs in the treatment of COVID-19. Visit fda.gov for more information.
- **L.A. County Daily Briefing Statistics on COVID-19** – L.A. County Department of Public Health has confirmed 46 new deaths and 1,857 new cases of COVID-19 in [today's daily briefing](#). There are a total of 2,813 deaths; ninety-three percent of people who died had underlying health conditions. Testing capacity continues to increase in L.A. County, with testing results available for over 746,000 individuals and 8% of people testing positive. 7,190 people who tested positive for COVID-19 have been hospitalized (11% of positive cases) at some point during their illness. To view DPH's COVID-19 Surveillance Dashboard, visit lacounty.gov. To view L.A. County statistics as part of the State, visit update.covid-19.ca.gov.
