My family and I live directly behind the Marriot. First, thank you to the Council and MB Police for taking swift action against the inexcusable activity at the hotel. It is shocking what you have accomplished so quickly where we tried to work with them directly and the issues continued to escalate. This is why we need you to amend the CUP with enforceable measures to protect the neighbors along with a more robust fencing system at the eastside to properly separate us. Thank you, Jeremy Cramer

This actually regards the Redondo Beach city meeting: I vehemently oppose the potential siting of RB's homeless shelter at Aviation gym- a NIMB-friendly solution far from RB's residents, but across the street from MB! I ask our city leaders to oppose this "un-neighborly" proposal in the strongest terms possible. Many of us fled Santa Monica and Venice for this very reason. If allowed, there will be an exodus of families away from East MB, along with the property tax revenues that go with it!
