Subject: [EXTERNAL] Name clarification

CAUTION: This Email is from an EXTERNAL source. Ensure you trust this sender before clicking on any links or attachments.

Hello my name is Tyler Render. I got a message from my cousin Anthony Bruce, saying that I sent an email claiming I am a "Bruce". I'm not sure if there was miscommunication, but I want to clarify that I am not a direct descendant of Willa and Charles Bruce. Just wanted to clear this up because I've never sent an email claiming this. Sorry if there was a mix up.
