I am writing to Council and City Mgr. to keep COVID safety protocols in place that align with State & County guidelines. Trader Joe’s on MBB told anyone who called that they were, as of yesterday’s announcement, enforcing mask wearing in the store in line with the CDC, an not the State.

Thank you!

Fully support the extension of outdoor dining deck; what better way to support our local restaurants who were forced to shut down for far too long.

## Betty Wei

I support the extension of outdoor dining decks in MB. Although my husband and I are both vaccinated, we have 2 young children who are not yet eligible. We are not comfortable dining indoors with them until the time that they are. Furthermore, after what the restaurants have been through this year, why not give them the summer to recoup some of their losses? There's no better way to spend the summer in MB than outside and it'll bring more tourism and dollars back to our community.

## Gabe B.

I'm writing to express support for continuing outdoor dining. As a longtime resident, I have really appreciated how the city has helped support our local restaurants, while also keeping diners safe by allowing for more outdoor dining space and greater physical distancing between tables. I've also really enjoyed how it's made the city more vibrant -- eating outside is great! As indoor dining capacity returns, I would feel much more comfortable continuing to dine outside. Thank you.

Thank you for denouncing hate against our Asian American Pacific Islander brothers and sisters. The issue of xenophobia ("fear of the stranger" is the etymological meaning) is one our City Council would do well to address more fully in light of our recent conversations on race. I hope that the MB leadership will have the courage to broaden their statement to include a statement of Equality, Diversity and Inclusion that affirms MB welcomes ALL people of ALL races into our civic life.

I enthusiastically support Resolution 21-0153 to affirm our city's commitment to the safety and well-being of our AAPI community. I am one of those AAPI residents and I've seen the outpouring of love and support for us. Let's

make if official. Let's be courageous and state it loudly. Our kids need to see this level of leadership and support. The next generation takes cues from us. Thank you so much.

I strongly support this resolution. I am a resident and a Junior at Mira Costa High School. I have a personal story from Middle School while attending MBMS. A student called me a terrorist while we were standing in the lunch line. I also know this has happened to others. These comments are proof that hurtful behavior exists in our city. I encourage the passing of this resolution as it is one step closer to making the City of Manhattan Beach a more accepting and inclusive environment.

**Diana Skaar**

Location:

I support this resolution to have the City formally stand against AAPI hate. MB would be joining Torrance, Los Angeles, Irvine, Sacramento, San Jose and other cities who have passed similar resolutions. As a Thai-American, it is important for me to see that MB is not ignoring what is happening to the AAPI community. Please consider discussing this resolution to give this the visibility it deserves. 100+ residents attended the sidewalk chalk event against AAPI hate. Clearly, this is important.

**Chris Primm**

Let's stand together with our neighbors and friends. If Manhattan Beach wants to be a place where all are welcome, we must make it clear that racism will not be tolerated.

**Emma Hite**

I fully support this resolution. We must show our solidarity with the AAPI community and also showcase Manhattan Beach as a supporter of ANTI-HATE and take this stand.

**Grace Lou**

Location:

Issues facing the AAPI community, including the recent surge in violence against its members, are too often sidelined because of the view that AAPIs are "not American enough" to be considered worthy of inclusion in public discourse. This resolution ought to be given the heightened attention necessary to at least make it a part of the discourse here in our city. Moving this resolution onto the Ceremonial Calendar would confirm a genuine, rather than nominal, concern for the safety of AAPIs.

**Hayley Hoffman**

I strongly support this resolution as a first step toward including the APPI community in the racial equality discussion.

By burying this resolution in the Consent Calendar, MB is not even doing that. I urge you to pull this item, have the resolution read by our City Clerk (herself a professional role model to APPI youth), call the vote and affirm the

resolution individually. Please give this important resolution the attention it deserves.

I strongly support this resolution. And I would also encourage the city council to highlight in the city website the story of the land when now Miracosta high school sits and of the usurpation of that land from Francis and Kuni Uyematsu family. The same way you are doing for Bruce Beach, also their story needs to be remembered.

As a homeowner on 45th St., I emphatically support Permit Parking. I have lived here for 3yrs. and the chaos that occurs nightly especially during the summer months & weekends is out of control. I have witnessed a dozen fights (actual fist fights), several verbal arguments (too many too count). I urge each of you to check the grassy area after every weekend as there are beer/liquor bottles, fast-food garbage, smokers and every so often furniture! I would register/pay for a permit. Thank you.

This is a perfect opportunity to encourage residents to adopt more common sense methods of keeping their personal property safe. How about a PSA from MBPD? How about reviving amend modernizing neighborhood watch? Be proactive not REACTIVE.

I oppose our City Council taking time in a very full agenda to address this partisan issue. We have pressing issues in MB which need our leaders' full attention and this is a distraction which will do nothing to decrease crime here in MB. Many of the crimes we're experiencing are crimes of opportunity so our leaders would do better to educate citizens about protecting themselves. It would be wonderful if reducing crime were as simple as removing our current DA, but it's much more complicated.

I strongly oppose this incredibly partisan resolution. Mr Gascon was elected to do exactly what he is doing. If certain council members disagree with his policies, they should express their opinions as private citizens not as representatives of MB. When citizens expressed concern about allowing Ms Hadley to be our pretend mayor, this is the type of partisan nonsense we were worried about.

**Anthony Dolim**

As a 10 year resident of Manhattan Beach, I strongly support the Council's Resolution expressing no confidence in District Attorney George Gascon. Through his actions in San Francisco, efforts on Prop 47, and now as DA in Los Angeles, George Gascon has ignored the trauma of victims' families and directly contributed to an increase in crime across the state. His actions are now having real world impacts in Manhattan Beach. Thank you to Mayor Hadley for your support of our community.

**Mike Solis**

Location:

Gascon's policy actions to-date were mostly not disclosed in his campaign and are shocking to many residents. Although his intentions may be good, the results are a slow-motion disaster for community safety and victims of crime that will become larger and larger with time. He is better suited to lead the office of public defender. I urge the council to support this resolution, and for residents to support the upcoming recall campaign.

MBPD is regularly encountering armed felons in the city, presumably many that were recently released by the DA. These are the same circumstances, a traffic stop of an armed felon, that led to the death of Officer Ganz nearly 30 years ago. We must protect our officers who protect us and our city.

As a 4 year resident of Manhattan Beach, I support the Council's Resolution of "No Confidence" in DA Gascon. His new policies undermine the safety of our community by putting our PD in harm's way and stripping the ability of prosecutors to effectively charge criminal activity. Honorable Mayor and City Council Members-

I support a vote of no confidence in LA DA George Gascón. I believe in consequences for criminal behavior. Manhattan Beach has seen a recent dramatic rise in criminal activity (when caught- released only to return, sometimes on the same night, on the same street). Dear Mayor and City Council, I strongly support the Resolution of No Confidence in George Gascon and I believe it's your obligation to speak up for the safety and security of all residents by passing this resolution. Gascon's misguided criminal-coddling policies are already having a direct impact on rising property crime here in Manhattan Beach where the perps know they will face few if any consequences for their actions and, with zero bail, will be immediately back on the streets.

### **Mindy Balgrosky**

Vote yes for a resolution of non confidence in DA Gascon and ask him to rescind his illegal directives. While there might be a need for criminal justice reform, Gascon's illegal blanket policies contradict California laws. Do not let partisanship divide us. This is not a partisan issue: the data on crimes, the example of San Francisco and centuries of jurisprudence are against Gascon. Stay on the side of the victims of crimes, the side of legality and respect of our judicial adversary system.

I oppose this politically motivated resolution which seeks to roll back much-needed progressive reforms in the county's criminal justice system. Anti-Gascon forces are using scare tactics and cherry-picked statistics to advance a law and order agenda that would perpetuate injustice without making us any safer. I urge council members Hadley and Montgomery to withdraw their backing for this divisive resolution that is likely to cause further embarrassment for the city of Manhattan Beach.

**Kay Gilbert**

When I prosecuted cases with the LA City Attorney's office, my job would have been a lot easier under District Attorney George Gascón, because I would have had more trust that the cases were legitimate. I have all confidence in DA Gascón, who is doing well in the job we elected him to. Besides, it makes no sense for Manhattan Beach to pass this resolution. The City has no authority over County elected officials, and this would just seem like embarrassing petulance on our part.

No Confidence for Gascon. His policies failed in San Francisco... and now they are failing here.

I support a vote of no confidence in George Gascon. This is the first step of many necessary to keep not just our community but all communities in California safer. Criminals like sanctuary cities and counties.

Honorable Mayor and Council: I strongly urge you to support the no confidence vote as a strong condemnation of Gascon's lack of leadership and leftist agenda. The dramatic spike in crime are indicators of Gascon's policies that make a mockery of law and order by minimizing penalties for criminals and diminishing justice for victims and their families. We should not unleash this destructive social experiment on our society. This is definitely moving in the wrong direction. Pamela Davidson
