## **COVID-19 Situation Report**

**JULY 20, 2021**

### **CURRENT INITIATIVES AND UPDATES**

- **County Requires Masks Indoors Regardless of Vaccination Status** – Until further notice, the Los Angeles County Department of Public Health (DPH) has modified the [Health Officer Order](#) to require universal masking while indoors, regardless of vaccination status. This includes all indoor public places, venues, gatherings, and businesses (including offices, retail, restaurants, gyms, theaters, family entertainment centers, meetings, and state and local government offices serving the public). DPH is reporting a significant increase in the number of people hospitalized each day for COVID-19 illness. There are 544 people with COVID-19 currently hospitalized; last Monday, there were 372 people hospitalized and on June 15, there were 218 people hospitalized. Unfortunately, because cases increased 700% since June 15, they are now beginning to see corresponding increases in hospitalizations. Test positivity increased 10-fold from the 0.4% on June 15, to today's test positivity rate of 4.8%. Due to the significant increased circulation of the more infectious Delta variant, the intermingling of unmasked individuals where vaccination status is unknown, and the risks to the almost 4 million people in L.A. County who have not been or are not eligible to be vaccinated, including 1.3 million children under 12 years of age, the Los Angeles County Health Officer Order was modified to require masking for everyone while indoors, regardless of vaccination status to prevent increased COVID-19 spread.
- **Still Need to Get Your Vaccine?** – Through Thursday, at County-run vaccination sites, LA City sites, and St. John's Well Child and Family Center sites, everyone 18 and older coming to get a vaccine will have an opportunity to win one of seven packages of tickets to family fun at the Staples Center, including performances by the Harlem Globetrotters, Disney on Ice, and the Gold Over America tour starring Simone Biles. Official rules and participating site locations are posted online on the Los Angeles County Vaccination Sweepstakes page. Winners will be contacted by phone and/or email. For more information, visit [www.VaccinateLACounty.com](http://www.VaccinateLACounty.com).
- **L.A. County Daily Briefing Statistics on COVID-19** – To date, Public Health identified 1,821 new cases of COVID-19; nearly 8,500 new cases in the last five days have been confirmed in L.A. County. Today's test positivity rate is 4.8%; the rate was 2.0% two weeks ago. The number of people hospitalized for COVID-19 illness continues to increase each day. There are 544 people with COVID-19 currently hospitalized and 22% of these people are in the ICU. Two weeks ago, there were 273 people hospitalized with COVID-19 illness. Of the five new deaths reported today, three people that passed away were between the ages of 65 and 79, one person who passed was between the ages of 50 and 64, and one person who passed was between the ages of 30 and 49. To date, Public Health identified 1,270,886 positive cases of COVID-19 across all areas of L.A. County and a total of 24,587 deaths. Testing results are available for nearly 7,190,000 individuals with 16% of people testing positive. To view Statewide case statistics and

demographics, including positive cases, deaths, and testing results, visit [COVID:19 California Case Statistics](#).

## LATEST NUMBERS ON COVID-19

AREA	CONFIRMED CASES (CHANGE)	DEATHS (CHANGE)
United States <sup>1</sup>	33,983,867 (+34,830)	606,991 (+212)
California <sup>2</sup>	3,767,185 (+4,723)	63,653 (+4)
Los Angeles County <sup>3</sup>	1,270,886 (+1,821)	24,587 (+5)
Manhattan Beach <sup>4</sup>	1,471 (+13)	17 (0)

The change reflects daily increases, not increases from the prior situation report.
