COVID-19 CASE COUNT

SEPTEMBER 20, 2021

The City of Manhattan Beach remains committed to providing the community with critical information and updates on the COVID-19 pandemic. The COVID-19 Situation Reports are published twice-a-week on Tuesdays and Thursdays and supplements the Situation Reports with coronavirus case counts (latest numbers) on Mondays, Wednesdays, and Fridays to keep the community informed. In an effort to find a balanced approach to disseminating COVID-19 updates to the community, staff is reviewing the analytics, email comments and general feedback about the frequency and email lists for news on the Coronavirus. To continue receiving the weekly COVID-19 Situation Reports, and daily case counts, please update your preferences on the [eNews webpage](#) to included News-Coronavirus. Also, remember to follow the City on [Facebook](#), [Instagram](#) and [Twitter](#) for latest COVID-19 updates and City news.
