Agenda Item:

21. 18-0259 Request by Councilmember Montgomery to Discuss the Impacts of Senate Bill 415 and the Possibility of Changing the March 5, 2019 General Municipal Election to Another Date. DISCUSS AND PROVIDE DIRECTION

Comment:

Opposed to any lengthening of terms, especially noting the many impacted who have served prior terms. Nor do I see a need to reopen discussion. I would actually prefer a June date over November, and wish our city could remain with the March date. I'd like to keep local elections local--and that includes County Supervisors inserting obvious campaign materials in local school financing measures (even though I supported the tax).
