This is a great opportunity to add to the public art in Manhattan Beach, thank all the parents and community members that have supported Manhattan Beach schools and honor learning. The City of Manhattan Beach has always supported MBEF and its public schools. Let's continue the positive relationship and approve MBEF's donor recognition wall to thank the community, show support of our schools and improve the public space with this beautiful art piece.

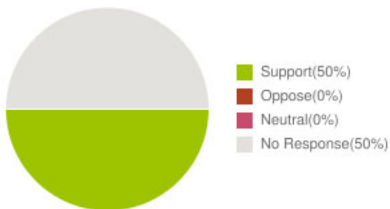

Agenda Item: eComments for 22. 22-0194

I have been lucky enough to engage in the classes and services that the Senior's program provides to the citizens of Manhattan Beach and they are first class. They were a lifesaver throughout this pandemic. Please move forward with funding the Senior and Scout Community Center. It's time for that building to be replaced. It no longer functions well for the demographics it was constructed for and is looking dilapidated, which for a community as affluent as this should not be the case. I donated to the center back in 2017. That's more than enough time to be get this locked down. It's time to move forward and get this completed.

All my best,

Linda Little

I support this MOU and resolution. The Senior and Scout Community Center is a place our residents come together and really enjoy the camaraderie of our little beach town.

I support this resolution asking for approval for this additional financial support to cover the rising construction cost estimate due to pandemic related delays and inflation. The Senior and Scout Community Center is a place our residents come together and really enjoy the camaraderie of our little beach town.
