

Argument in Against of Measure V, a Measure to Continue **PROHIBITION** of Cannabis Dispensaries and Delivery Services in Manhattan Beach

VOTE “NO” on Measure V! VOTE “NO” on **REEFER MADNESS!!!**

In 2016, Manhattan Beach voted overwhelmingly in favor of Proposition 64 with over 61% of the vote, legalizing cannabis for adults over the age of 21 in California. As a result of Proposition 64 and Manhattan Beach voters, licensed and regulated cannabis dispensaries and delivery services are amongst the most highly controlled businesses in the State and provide vital services and products to residents in need, just like pharmacies and banks.

Despite the will of Manhattan Beach voters, **today, even the sale of medical cannabis and cannabis delivery services are illegal in Manhattan Beach.**

Measure V **goes against the will of Manhattan Beach voters** and **continues Manhattan Beach’s prohibition on cannabis dispensaries and delivery services.**

END MANHATTAN BEACH’S PROHIBITION ON CANNABIS DISPENSARIES AND DELIVERY SERVICES!
