I support the appointment of Tiffany Barbara for the Cultural Arts Commission. Tiffany is a long time resident with a passion for art, education, and inclusivity. She currently serves on the board of the Museum of Latin American Art and this along with her personal experience will align with the cities goals.

I would like to show my support for Tiffany Barbara as the Cultural Arts Commission. Having a 20 year MB homeowner/ resident with 3 children and the necessary work experience makes her the ideal candidate. Tiffany has over a decade+ worked daily with her clients servicing and managing their portfolios, many of which include also art assets. This position has given her the opportunity to give back and participate in various philanthropic organization including serving on their boards. Tiffany dedicates herself 100% and ensures the that the organizations she is involved with stay on mission and serve the communities they target. Her experience is vast as board members Museum of Latin American Art and MOLAA which give her access beyond the South Bay. Tiffany's passion for any organization she joins is unmatched. She would be a strong candidate for this position and would make an immediate impact with her relationships inside and outside of the South Bay.

Hello!!

I would like to show my support for Tiffany Barbara for the Cultural Arts Commission. Not only is she is a 20 year MB homeowner & resident with 3 MBUSD children, she also has the necessary experience including:

- 1) She has an extensive background working with her banking clients to help build & finance their art collections.
- 2) She will ensure that the commission's work aligns with the city's values and DEI. As a board member of the Museum of Latin American Art, she has supported and volunteered at museum diversity events on a monthly basis. She also is actively involved in a number of firm affinity groups including being an Ally to the LGBTQ+ employee network
- 3) As a Boardmember of MOLAA, she has access to resources and ideas within the art community and outside of the South Bay that she can bring to our community
- 4) Her inclusive work ethic will help expedite the implementation of public art in our community.
