Dear Manhattan Beach City Council,

I am writing to express my enthusiastic support for Alex Weinstein's proposed contemporary mural at the Beach City Fire Station. As a long-time resident and admirer of our beautiful beach-side community, I believe that this mural will not only enhance the aesthetic appeal of our city but also carry significant cultural and community-building benefits.

Contemporary art has a unique ability to connect people across diverse backgrounds and generations. By featuring a modern mural at our fire station, we have the opportunity to create a visual landmark that can serve as a source of inspiration, unity, and pride for both residents and visitors alike. This mural can celebrate the bravery and dedication of our local firefighters while also reflecting the spirit of our vibrant coastal town.

Sincerely,  
John Matich
