Dear Mr. Fatuos and Planning Commissioners,

This letter is to express the support of the Downtown Business & Professional Association in granting a use permit for the building at 201 Manhattan Beach Boulevard, Chase Bank. Our understanding is that the permit will allow LAZ to provide paid parking in that lot to the public after regular banking hours.

As we all know, parking in Downtown Manhattan Beach is always coveted, so we support any effort to bring additional customer parking to help our businesses thrive. If you have any questions, please contact Jill Lamkin, our Executive Director.

Respectfully,

Lori Ford
President, Downtown Business & Professional Association
