

Underground Utility Assessment District Survey 2023

- Survey Areas
- Districts in Design/Construction
- Districts Completed

Note: Voting in this survey does not automatically move toward the process for utility undergrounding, and boundaries shown are not final. Survey areas have been subdivided based on initial evaluation of interest, approximate project size, and existing location of utilities. For additional information, refer to www.manhattanbeach.gov/uuad regarding the UUAD Fact Booklet and Steps for Forming a District.
