WANT TO GET CREATIVE THIS WEEKEND?

What is Glaze Lab?

Glaze Lab is an interactive space where you select a ceramic piece starting at \$15. Choose from tiles, mugs, bowls, planters, and more! Design and glaze your piece any way you like.

Step One: SELECT

Select an item you would like to glaze from our sample wall. When you are ready, we will grab your item and set you up to glaze.

Step Three: PICK UP

Pick up your finished piece at MBAC in two weeks. Take good care of your one-of-a-kind artwork!

Step Two: GLAZE

Choose colors from our glaze wall to personalize your custom piece. Then leave the rest to us, we will fire your creation for you.
