APPLICATION FOR 2024-2026 MIRA COSTA RESIDENTIAL PARKING OVERRIDE PROGRAM

TERMS AND CONDITIONS

1. Residential override hangtags are available only to applicants who live on a qualified street posted with restricted parking. Applicants must show proof of residence and copies of current vehicle registration(s).
2. Each residential household is allowed up to three (3) hangtags for vehicles registered to occupants of the residence.
3. The issuance fee for an override hangtag is \$15.00 for the first vehicle and \$5.00 each for up to 2 additional vehicles (maximum of 3 permits per household). The fee for replacement of lost or stolen hangtags is \$5.00.
4. All residential parking override hangtags are valid during the 2024/2025 and 2025/2026 school years and expire June 30, 2026, or until the applicant no longer resides in a qualified dwelling unit for such override, whichever occurs first.
5. All vehicles must be currently registered to a person residing at the permit address. The hangtag shall be prominently displayed in the front windshield of the eligible vehicle.
6. The applicant is responsible for all hangtags issued to that residence. Any damaged, lost, or stolen hangtags shall be considered invalid, and may be cited in violation of the posted restriction.
7. It is unlawful to sell, rent, lease, or duplicate any hangtag, or cause the same, for any value or consideration.
8. All other applicable parking restrictions, such as street sweeping and red curbs, must be followed.
9. Any vehicle with an invalid or missing hangtag will be cited in violation of the posted restriction. Any or all hangtags may be revoked if the qualified street petitions out of the program or if the applicant fails to comply with the conditions of the permit.
10. The applicant agrees to comply with any and all requirements related to Mira Costa Residential Parking Program as set forth by the City, including any changes approved subsequent to the issuance of the permit.
