

is your life too plastic?

Join Transition South Bay LA and the City of Manhattan Beach for an EARTH DAY screening of "BAG IT" and find out how you can be the solution to reducing plastic pollution.

More about the Film

BAG IT is a film that examines our society's use of plastic. The film focuses on plastic as it relates to our society's throwaway mentality, and over consumption of unnecessary, disposable products and packaging – things that we use one time and then, without another thought, throw them away.

RSVP

To learn more, please **reserve a seat** for the film screening by sending an email to transitionsouthbayla@gmail.com and indicate which screening time, and number attending. For more information, you can visit the City's Going Green website at www.citymb.info.
